Fifty-Third Year

Canyon, Texas, Thursday, February 10, 1949

Number 50

## Chamber Dinner Will Be Held Friday Night

The 1949 Chamber of Commerce dinner will be held Friday night at 7:30 o'clock in Fellowship Hall of the Methodist Church.

From indications Wednesday morning there will be a near sell-out attendance at the banquet.

During the evening musical numbers will be given by Mrs. Lee Foster, Miss June Wimberly, Mr. and Mrs. H. R. Fulton, Jr.

Retiring President E. R. Cleavinger will present the retiring directors and the incoming president, Clyde Warwick.

Rev. Leon Hill, pastor of the San Jacinto Baptist Church will be the speaker. He is one of the best known after dinner speakers in the Panhandle and has addressed many gatherings during the past year.

Mrs. Maud Walters will serve the dinner.

## Oil Plays Major Part in the Near East Problems

"Russia does want the oil of the Near East, but she seeks to keep us from getting that oil," stated Miss Ima Barlow at the Rotary Club luncheon Tuesday.

Miss Barlow traced the early history of the Near East, which centers on Palestine, and the struggle between the Imperialists, Zionists and Arabs for control of that section.

There has been a constant struggle between opposing forces in this section throughout the centuries. England has been dependent upon this section for olive oil and other products. The Arabs want grazing domains, while the Jews are seeking to introduce highly developed agriculture.

In 1901 the first oil concession was granted, and since that time practically all of the major oil companies of America, England, France and the Netherlands have been competing for oil. It is one of the richest oil sources in the world.

Visitors were: E. J. Goodman of Albuquerque; Z. E. Doshier, E. E. Cavender, E. Kanchev, Arch Hunsley, Warren Johnson, Arthur Osgood, all of Amarillo.

## Too Many Dogs Running Around City Is Belief

To the News:

My subject is Dogs, big dogs, little dogs and more dogs. They are running loose all over town. Now let us either repeal our laws or enforce them.

I understand it is the law that if you have a dog you shall have him vaccinated, pay taxes on it, keep it on a leash or in a yard.

There are dozens of them running loose here on this street. I've never seen one on a leash and most of them are without a collar.

Now, let's do something about it. I love a dog, it's one of man's best friends, but I believe in obeying the laws also.

A READER.

## Church Women To Observe World Day of Prayer

The United Council of Church Women of Canyon will have its first meeting of the year Friday, March 4, at the First Methodist Church at 3 o'clock. There will be an executive meeting at 2:30 o'clock.

This meeting is the World Day of Prayer meeting and in preparation for that each member is being asked to learn the 121st Psalm and to spend fifteen minutes each morning in prayer.

The Council president, Mrs. Bryan McDonald, asks that each member who has been attending these council meetings, be present and bring a friend or neighbor who has not been attending.

## "Outward Bound" Presented by WT Speech Dept.

The Department of Speech of West Texas State College is presenting Sutton Vane's unusual comedy, "Outward Bound." The play was presented Tuesday and Wednesday nights, February 8 and 9, and will be presented again at 8:15 p. m. Friday evening, February 11 at the Branding Iron Theatre.

"Outward Bound" is done in intimate style theatre by a cast of talented speech majors. It is directed by William A. Moore and setting is by Jack Walker. Both men are on the speech faculty.

Admission to the play is 60c.

## Canyon Plans Fire Truck and Stop Lights for Coming Year

The City Commission invited members of the Chamber of Commerce to meet with it Monday night for a general discussion of prevailing questions which confront the city administration, and for a review of the criticisms which have been directed to local conditions in Canyon.

The budget for the coming year will be made on April 1. For this reason, all commitments which are to be made by the city during the coming fiscal year must be acted upon by the commission by that time.

From a recent survey made by the News, it seems that one of the prevailing demands on the part of the citizens is for a new fire truck. Mayor W. A. Warren stated that several weeks ago members of the Fire Department had been advised that the commission intended putting this item in the budget for the coming year and invited suggestions as to the type of fire truck needed. So far the commission has received no recommendation. The commission agreed that the Fire Department must make recommendations at once in order to get this item in the budget.

The present fire truck is 20 years old, but passes the inspection of the underwriters. All equipment that is needed by the department has been bought from time to time. Leslie Key is paid to make regular inspections of the trucks and equipment to see that they are in working condition. The room housing the trucks is kept warm, and a telephone is available for the men.

Canyon paid insurance premiums last year of \$33,210; fire losses were \$5,142. More equipment would not lower the rate one cent. But employment of a full time fireman would lower the rate 5 cents, which rate would not pay the salary of the firemen. In other words, if the city had a \$30,000 fire truck, with all the equipment that would be piled onto the truck together with a paid fireman, the policy owners would not profit a cent, but would be paying a higher rate because of low fire losses.

It was finally suggested that a committee from the Fire Department

## Scouts To Pitch Camp Saturday Courthouse Lawn

Boy Scout Troops 31 and 66 will pitch camp Saturday morning at 9:30 o'clock on the courthouse lawn for an all day demonstration.

The boys will cook their own dinners at noon.

A demonstration will be put on by the Scouts soon after noon.

At 3:30 o'clock a Court of Honor will be conducted by Rev. Hubert Thomson.

Window displays were put in Monday showing work of the two troops this year. The display of Troop 66 is at Cheatham's, and the display for Troop 31 is at the City Drug.

Sunday was Scout Sunday and the two Troops attended church services, Troop 31 attending the Methodist Church and Troop 66 attending the Christian Church.

## Miss Colwell Had Arm Broken in Fall

Miss Mary Frances Colwell received a broken arm Thursday when she fell on the ice at West Texas State.

She was on her way to classes when she fell on the ice covered sidewalks, breaking her left arm above the elbow.

Miss Colwell is the oldest daughter of Mr. and Mrs. W. B. Colwell.

## Former Citizen of Canyon Has Died

A. A. Walker, former citizen of Canyon died last week at the family home in Tahoka.

The family moved from Canyon several years ago, but is remembered by many citizens.

### LEGION AUXILIARY

The American Legion Auxiliary will meet Monday evening February 14 at 7:30 o'clock at the Legion Hall.

### MARRIAGE LICENSE

William T. Woolley to Alyce L. Sparks on February 5.

Mr. and Mrs. Frank Heare of Miami, visited here last week end in the home of her parents, Mr. and Mrs. Ray McReynolds.

Otto White left Saturday night for Temple where he will go through the clinic.

ment and members of the commission make a tour of neighboring towns to inspect fire departments so that recommendations could be made at once.

Street lights were then taken up. The commission will put in its budget for the coming year the installation of two additional street lights on Highway 87; one at Third Avenue and one at Fifth. The lights will be timed with the one on Fourth in order to stop traffic. Those who cross the highway complain that cars and trucks are speeding on the highway without regard to life and traffic, and not slacking speed when they catch the one traffic light on the green.

The commission will hold a conference with business men interested in stop lights on the public square. It was pointed out that lights on the square would not control traffic because of so much jay walking. Those who park their cars on the inside lanes walk across the streets at the most convenient place. Those who go to the court house use the path at least distance, and with the least snow or mud in bad weather. It would cost the city about \$300 per month to police traffic in the business section.

Mayor Warren stated that the whole traffic system of Canyon should be overhauled at one time, within a few years. The city is so far opposed to installing parking meters.

Complains have been registered at the city hall the past week of frozen water mains. Upon investigation it was found that in two instances citizens were being served by private water mains which had not been installed under city supervision, and did not meet standard specification.

## Hospital News

## City Employees Given Rise in Salaries

Raises in salary for city employees was approved at the meeting Monday night of the City Commission.

There are eight full time employees working for the city, including office workers at the city hall, city secretary, night watchman, and maintenance men.

It was also decided that material and equipment should be purchased to patch the streets which were damaged by the recent snow and ice.

Mr. and Mrs. Ishmael Hill and children from Lubbock spent Friday in the parental W. H. Harden home. They were accompanied to Amarillo by Mr. and Mrs. Harden, and all had dinner at the home of Mr. and Mrs. Forrest Hill in Amarillo.

Miss Anita Davis, who is teaching this year in Portales, New Mexico, spent the week end here with her parents, Mr. and Mrs. Roscoe Davis.

## No Troubles As Result of Local Storm

The storm caused no trouble in this vicinity. Ice forming on communication wires was a major problem in other sections of the state.

Hud Prichard states that there was not a normal amount of telephone line troubles in Canyon as the result of the snow, sleet and rain.

Up until Saturday night there was no power line difficulties, stated Gordon Lyons. When the power went off Saturday evening for about 25 minutes the trouble was due to switch troubles at the plant and not to the storm.

When ice started forming on trees and communication lines, citizens recalled the disaster of a few years ago when Canyon was without light and phone service for several days, and trees all over Canyon were broken.

When new pipe is received in the spring it is planned to replace all of these lines.

The petition for imposing sewer and garbage charges was discussed at length. It was agreed that the city must impose the sewer charge in order to build up a sinking fund for a new sewer plant in the next two or three years. The use of water in Canyon has increased 300% in the past 7 years, and much of this water is used in the sewers.

By imposing a sewer charge, similar to the charge imposed by practically all towns, the city would have at least \$4800 per year to build up a sinking fund toward a new sewer system. By this means the city could issue revenue bonds, which would not be against the property of the city and could be paid off through this monthly service charge.

Discussion of the garbage proposal charge was the most controversial measure proposed. The commission is meeting again Wednesday afternoon for further study of this issue.

It was proposed that the city buy another truck and employ two men who would devote their entire time to gathering disposal. This would not interfere with street paving work.

Mayor Warren suggested that before an ordinance be passed on these measures that it be submitted to the attorney of Texas Municipalities in order to make sure that the ordinance would stand any court test.

## Reject Plans For Another Court Here

Randall and Armstrong counties have rejected the call from Potter county to join in the financial support of a new court for Potter county to handle domestic cases.

Judge Burney Slack states that the Randall County Commissioners checked on the proposed court, finding that there was ample courts now to handle all cases in this county. The cost would be about \$2,000 annually for Randall county.

It is proposed that the new court would handle divorce proceedings and juvenile cases. According to the record of the district court, divorce cases constitute the major business of the district court here. Only six juvenile cases have been tried in the past year.

It has not been indicated whether or not Potter county would continue seeking the new court since both Randall and Armstrong counties have rejected the plan.

## Telephone Office Is Redecorated

The Southwestern Bell Telephone Office has been reconditioned and redecorated the past few weeks. There has also been a new office opened here, a Commercial Department. This new department is headed by Mrs. B. H. Gough of Canyon.

### C. M. DOWLEN HONORED ON 80th BIRTHDAY

C. M. Dowlen was honored Sunday on his 80th birthday with a surprise dinner at his home. When he returned home from church, he was greeted by Mr. and Mrs. S. L. Robinson, and Lindel, Mr. and Mrs. Glenn Dowlen, Glenn, Jr., George and Marie, Mr. and Mrs. W. T. Robinson and Marketa from Phillips and Wendel Sims from Happy.

### EDGETOWN CLUB

The Edgetown Home Demonstration Club will meet at the home of Mrs. G. B. Combs on February 11 at 3 o'clock.

Mr. and Mrs. Wayne Thomas spent Sunday night here in the home of her parents, Mr. and Mrs. R. A. Hodges. They are making their home in Austin where Mr. Thomas is attending the University of Texas Law School. They were called to Hereford last week because of the illness of Mr. Thomas' brother.

Mrs. Faye Cannedy attended the 25th anniversary luncheon of the Friendship Club in Panhandle Monday. Mrs. Cannedy is a former member of the club.

Mrs. Olin Huff and daughters from Wichita Falls visited this week with Mrs. Huff's parents, Mr. and Mrs. Pat Baber.

W. H. Upchurch is in Boloxi, Miss. this week attending the Southern Farm Bureau Conference of representatives from five states.

Mrs. E. I. Boyce and Mrs. Bill Patke left Saturday night for Temple where Mrs. Boyce will go through the clinic.

## County Should Plan Now for Farm-to-Market Road Program

"The Texas legislature is considering a large farm-to-market program for Texas during the coming few years. Do you believe that Randall county should take steps to participate in this program?"

This question was presented to farmers, business people and other Canyon citizens this week, with an almost unanimous opinion that Randall County should take steps to participate in the farm-to-market road plan being considered now by the legislature.

There is no doubt that one of the greatest needs in Texas is more hard surfaced farm-to-market roads, and the fact that the present legislature sees this need and is trying to do something about it, the counties that get on the ball and are prepared to participate in the program will be the ones that will get more hard surfaced roads.

Some farmers point out that taxes are already so high there has to be a stopping point to expenditures somewhere, and they can get by just fine with the roads as they are, except when there is a little weather of course. But, on the other hand if roads are not built at the time the counties can receive aid, it may be quite a few years before anything can be done about it. Some counties will progress while others stand still.

Most farmers would be happy to have a hard surfaced road close enough to their places, to make it possible to get into town anytime during the year. And there is no question that it would improve business during winter months—enough so to carry part of the burden for constructing the roads. So with inflation in high gear,

and everyone hopelessly stretching the dollar, here's what Randall County's citizens think of participation in a farm-to-market road plan.

J. W. Shook: "We're going to have to help pay for it, so we might as well get in there and get our share."

R. B. Gist: "Sure I do. We sure do need more roads."

W. C. Black: "Sure, I'm in favor of it."

Mrs. Leslie Key: "I believe in farm to market roads, but I know they've got to be paid for some way. Good roads would improve the schools and business."

Bernard Warren: "I definitely do. I'd like to see a road straight from here to Dimmitt."

Paul Rogers: "I sure am in favor of it, 100 per cent."

Hampton Lisle: "There's a lot to consider—over taxation for one thing. And to me, inflated times are bad for construction. We build things while the dollar is cheap and pay for them when the dollar is high. Still, on the other hand I guess that's the only time we can get the roads built."

Mrs. Mark Foster: "I surely do. However, every time the bond issue comes up it's voted down. But I certainly think we need the roads. It would do more for business than any other one thing."

Rhorne Mobley: "I do believe the country would have enough money to build the roads if they got their share of what is paid in, in gasoline taxes and car tag taxes."

S. C. Harp: "Yes I do, because the people out of town have to get in for supplies and medical attention, and sometimes it's almost impossible."

Silas Hart: "If the counties re-

tained their share of gas, oil and tag taxes, they would have money enough to participate in a farm-to-market road program."

Mrs. A. B. Duncan: "I don't have a farm or a road, but I think the hard surfaced roads would be the best thing that could happen."

Milton Morris: "I certainly do. It would help school bus transportation if nothing else."

Hayden Weaver: "I don't know about the process you mention, but every resource should be tapped to build farm-to-market roads."

P. L. Pittit: "We need the roads bad, and we should be ready to participate along with other counties."

Lee Foster: "Personally, I'm in favor of farm-to-market roads. It's a great help to the schools."

Burney Slack: "I sure do. I'm in favor of getting ready for it."

Clarence Thompson: "Yes, I certainly think we should be prepared to participate."

K. L. Pond: "Yes I do. We need lots of farm-to-market roads every place, and especially in Randall County."

Henry Long: "If we can see whether we can get old with the bonds we have and support that too, then we ought to do it, but I think we ought not to get in too deep. However, if we can see our way clear, we should go ahead."

T. S. Stevenson, Jr.: "I'm in favor of it."

E. M. Myers: "I am for farm-to-market roads or anything that will benefit the farmer."

Roy Byrd: "I'd like to have hard surfaced roads all right, but it should be done over a long period of years."

M. B. Brown: "I really think that they ought to work out a different plan. Instead of so much money going to the federal government, more should go to the state, then they'd have the money to build the roads. We get along pretty well with the dirt roads."

C. J. Anderson: "I believe we can get along with the roads like we've got for a while and the taxes are pretty high now."

Ed Weeks: "I think they should. That's one of the things we need, and the state has plenty of money if they'll just turn it loose."

Wayne Porter: "Yes I think so. We don't have too good direct farm-to-market roads and it would be a help."

Kotton McGehee: "Sure I think they should be prepared to participate. The good thing about this plan is that the state and counties will be working together. It will create more interest, raise more revenue, and there will be more roads."

Mrs. Charles Harier: "If we're going to be progressive, it looks like we will have to be ready for it."

Clarence Beckman: "I certainly do. I'd be in favor of some farm-to-market roads any time under any considerations."

Joe Baber: "I'm definitely in favor of participating in this program, whatever it takes. People out of town need hard-surfaced roads badly, and they're paying taxes for the present pavement and riding on the dirt roads."

Mrs. Jack Parsons: "We should be prepared to participate, but definitely."

A. B. Holt: "Yes, I do. There will be lots of things to iron out, but we should do it. If we don't participate, we'll be paying taxes on other people's roads."

Marion Higdon: "Sure, I'm in favor of it."

O. B. Vaughan: "You bet. We sure need the roads."

Roscoe Davis: "People are going to come to the town where the paved roads lead, no matter what size the town, which is one of the best reasons for Randall county to participate."

Carl Wimberly: "Sure, I think Randall county should have its share. We need the roads and should prepare to participate in this program."

Jack Parsons: "I think the business people would certainly be helped by good farm-to-market roads."

M. E. Cantrell: "Definitely I do. It would be one of the greatest assets to Randall county. There is such a wide territory to be covered on mail routes and by school buses in this county, that we should certainly participate in this program."

## Junior Livestock to Hold Canyon Show Saturday, Feb. 26

The annual show of the Randall County Junior Livestock Association will be held in Canyon Saturday, Feb. 26.

W. T. Oliver is president of the association; Ross Craig, vice president; E. M. Myers, secretary-treasurer; Milton Morris, superintendent. Cash prizes will be given on both calves and hogs. All animals must be at the city barns by Friday afternoon, and the show will start at 9 o'clock Saturday morning.

### P-TA MEETING

Parent-Teachers Association will meet in the High School Cafeteria February 17 at 7:30. The program will be on "Home a Democratic Unit for World Peace." Guest speaker will be Mr. Sam Choy from Wayland College and Dr. James P. Cornette, president of West Texas State College.

## Boy Scout Week Observes 39th Anniversary

Boy Scouts of Troop 66 have a full week of activity celebrating the 39th Anniversary of Scouting in America.

Keystone this year is "Strengthen the Arm of Liberty." The actual arm of the Statue of Liberty needs no strengthening, but the scouts reference is to the symbolical. Everyone knows about Miss Liberty holding aloft a torch enlightening the world, but few visitors realize the volume in her other hand represents the Declaration of Independence, and at her feet lie broken chains.

A number of displays have been arranged in the windows of various business firms around town, which the public is invited to visit.

The Green Bar Patrol, the senior unit of Troop 66, has a display in Cheatham's Men's Store.

The Cobra Patrol under the leadership of James Miller has a model camp display and some fine castings of animal tracks in the window of Myers Implement Company.

The World Patrol, led by A. C. Wimberly, has a First Aid display in the window of Canyon Drug.

Activities for the week include, attending church in a body, February 6, at the First Christian Church. Wednesday night regular troop meeting and Board of Review will be held, to which the public is invited.

Saturday, there will be a "live" demonstration of camping and test passing on the north lawn of the Court House, ending with a Randall County District Court of Honor to award badges and honors to the boys who have won them.

The Bob White Patrol, led by Charles Morris of Troop 66 has a display of camp craft and equipment in the window of Thompson's Hardware.

## Bufs To Meet Circuit Leaders Here Thursday

The Buffalo basketball team will meet the Border Conference leaders, University of Arizona, at Burton Gym Thursday night at 8 o'clock.

Arizona State defeated the Bufs in Tucson last week by two points. Arizona has won 57 games in a row in their local gym, but the Bufs held the home team to the closest score played there this year. The lead changed eight times, and Arizona won in the final seconds.

The Bufs had previously won from Flagstaff, but were defeated by Tempe.

At Burton Gym Monday night the buf defeated Hardin-Simmons 61-50. W. T. Freshmen defeated H-S freshmen in a certain 76-44.

The Bufs will meet New Mexico Aggies here on Feb. 16 and New Mexico University on Feb. 19, which will be the last home game of the season.

Mr. and Mrs. W. C. Black were called to Shattuck, Okla., Monday afternoon on account of the illness of Roscoe Bradford, brother of Henry Bradford of this city. Mr. Bradford had undergone a serious operation.

MY AZALEAS are in full bloom. Stevens Floral Co. 11

## Senate To Take Up Plans Pay Off Park Debt

The appropriations bill of \$300,000 for the purpose of paying off the debt against the Palo Duro State Park will be up for hearing in Austin on February 15.

Senator Grady Hazlewood introduced the bill in the Senate. He will urge the adoption of the measure before the committee. The Advisory Committee of the Palo Duro Park plans to have a committee in Austin for the hearing. The motion pictures of the Palo Duro taken by Berl Elliston of Hereford will be shown in connection with the hearing.

State Representative Blake Timmons has introduced a similar bill in the House. The date for hearing on his bill has not been set.

## Dr. C. E. Donnell In Hospital At Plainview

Dr. C. E. Donnell, a long time resident of Canyon and now living in Plainview, was taken to Plainview Hospital Monday after being ill for the past week. Mr. and Mrs. Charles Donnell went to Plainview and took Dr. Donnell to the hospital for treatment. He will remain in the hospital a few more days, but is reported in much better condition now.

## Citizens Asked To Render Taxes

The City of Canyon has collected 92.5 per cent of all the 1948 taxes, which amounts to approximately \$29,000 dollars. Dalton Teague, city secretary, asks all property owners to come into the City Hall as soon as possible and render their property for taxes.

## EDITORIAL COMMENTS

## Russia Has No Intention of Waging War on the U. S. A.

We heard a nationally known writer speak the other night. He was bold in declaring that Russia would not fight America—provided we were sufficiently strong to scare Russia off. Russia is a nation of bluffers.

His main theme was that America should be prepared for war by having a strong air force. He made fun of the idea of a big navy, which could not get near to Russia; and he deplored a big, showy army which could not be used 5,000 miles away from home.

The big B-36's are able to fly 5,000 miles to a target and return to their home base. With ample bases in Europe and Asia, our bombers could drop bombs on any Russian target.

While deploring the use of atomic bombs, the speaker was glad that we had the bombs, instead of Russia, and urged that we should improve both bombs and planes in order to have the best.

The Newsman feels a little puffed up by this declaration. We advocated the very same thing when it was evident that Russia had no intention of playing ball with us. We advocated then that we build 1,000 bombers, load them with atomic bombs and then tell Stalin to either behave or have Russia blasted off the face of the earth.

Russia has profited by chaos and misery, while we have undertaken the job of feeding and arming those nations which are in distress throughout the world.

America is going to pay for the tragic mistakes that we made following the war, when we traded off property which did not belong to us, and attempted to convert Germany and Japan into agricultural nations when they have always been industrial nations.

Perhaps by the time World War III is fought America will learn a few things about handling our enemies.

## President Truman May Be Running for Another Term

President Truman intimated following his election that he would not be a candidate in 1952. He did not say for sure, but just gave a hint that this would be his plan to retire in 1953.

The glory of the big show in Washington last month was too much for Harry. He now says that he is keeping his future political plans under his hat. He knows that a has-been politician is a dead duck with his party, even when he has four years to go.

It would not be a bit surprising to hear that Truman wants the nomination in 1952.

While Tom Dewey said definitely that he would not seek a third nomination, he is holding control of the party, and political writers claim that he is willing to make another trial. What a life; what a life we have in politics.

## Editorials are Widely Used

Have we climbed! Editorials from this page have been reprinted in many state and national magazines.

Thursday morning we received a copy of the *Houston Post* which used on the editorial page one of our brain children. The *Post* is published by former governor W. P. Hobby and his capable wife, Oveta Culp Hobby, our friend of 20 years. How in the heck they got a copy of the *Canyon News* is still a mystery.

However, this is not so unusual as the copy of the *Canyon News* which was used in the book *Editing The Day's News* published by Macmillan. In that issue this weekly newspaper was the only weekly used as an example of good journalism.

We like to write this page when we have the time; and naturally like to see other publications pick up our wandering thoughts.

## Russia May Lift the Blockade

Some smart correspondents believe that Russia will suddenly lift the blockade around Berlin and allow free transportation to feed our own troops and the two million Germans who are under our protection. America made a tragic mistake in not demanding a free corridor when we were allowing Stalin to out trade us. America lost her shirt and her prestige in the deal. America has not been accustomed to trading with liars and thieves as the Russians turned out to be.

Calvin Casey, former county commissioner, was back from California looking after business the past week. He had the laugh on the county commissioners who were worried about the problem of snow on their roads and other county problems. He likes "sunny" California, but had been fighting snow ever since leaving home.

Canyon and Randall county have been most fortunate in not having a serious crime wave. Every local case so far has been solved. The fact that we are free of crime would not impell a desire in any of us to disband the police force of the county. No, indeed, a strong law enforcement body is the best assurance of continued peace, with law and order.

Personally we think that the Texas legislature has a pretty poor system when it takes the Speaker of the House 22 days to get committees appointed, and swing the House into action for business. Nearly one month of the four months' session will be gone before any real work is accomplished.

We shall be glad when poll taxes are removed as the means of voting. Too many folks think that it is foolish to pay the poll tax on "off years," when elections are not held. If the poll tax is collected from one person, it should be collected from every person.

Margaret Truman is going on the concert stage again. She is going to sing—and make her critics like it. Good work, old girl, you couldn't be any worse than some of those who are drawing down big pay on radio programs.

A month with snow and slush is more than any citizen appreciates for the present; but we look forward to what that moisture means in less wind and dust in the spring, and bigger crops in the summer and fall.

Work hard, die early—your family will enjoy your insurance.

Heating systems, like open fireplaces, are either too hot or too cold.

The smart advertiser can reap benefits tomorrow by intelligent use of the printed word today.

## Chamber of Commerce Belongs To People of the County

"They put you on the spot, didn't they," remarked a citizen the other day in referring to the fact that the Newsman was elected president of the Chamber of Commerce for 1949.

No, we are not on a spot.

The Chamber of Commerce belongs to the people of Randall county.

The officers and directors are only the mouthpieces of the people of the county.

If the people want a live, wide-awake Chamber, they can have it; but if they are satisfied with something less, they will get it.

The Chamber has not had the financial support needed to put over a very vivid and active program. It simply takes money to put over any Chamber of Commerce job. Unless the Chamber gets financial support, the hands of the officers are tied.

The new officers are willing to give of their time to put over a good program—and this will be free time, given to their community.

Those who are willing to back them are urged to join the Chamber for 1949 and put over a good program.

## Former President Hoover In Dutch With Brass Hats

Republican leaders are sore at former president Herbert Hoover. Hoover says that reforms in the federal government should be left to the hands of the President. He does not wish to see Congress messing up the deal.

Hoover's idea is that the President knows more about how the government should be run than mem-

Well, Hoover may not have been politically minded

Well, Hoover may not have been politically minded in the minds of present GOP brass collars, but Truman is very much, wholeheartedly politically minded. You cannot laugh that off. But why should not the President have such authority in view of the fact that he lives, rises, or falls under the strength of his administration?

## We Hope That Truman Will Not Meet Stalin Soon

Stalin wants to meet President Truman again. Stalin out-traded both Roosevelt and Truman. Wonder what he wants to unload on us now?

He wants us to get out of Japan and allow the Reds a free hand in the Pacific—after we did all of the work in whipping that unfortunate nation.

Truman says that he will meet Stalin in Washington. We hope that he will hold to his declaration. Every time our political have met Stalin on his own ground we have suffered a major defeat. There is no sense in our giving away our national security while Russia is over the barrel.

## Working For the Government

We heard a speaker who has been behind the iron curtain decry the dangers of war. He does not think that Russia is able to fight a war in the near future. However, with nearly 200,000,000 people working for the government, we wonder if Russia couldn't get ready for war pretty fast? Over here we seem to have the idea that the government should be supporting the people! While that is a bad situation, let us remember that the free enterprise of America and American industry swung into war producing much faster than ever would have been possible in a slave nation like Russia.

## Are Grateful for Interviews

The *News* is most grateful to all who have assisted in our campaign of weekly interviews. When we started this feature on January 1st, we had no idea that it would prove so popular and would continue so long. The readers say that they like this feature. They like to see what their neighbors are thinking on issues of the day. The feature is costing a lot of money, but it is worth the time and effort to put it over.

The *News* just hopes that all who are interviewed will consider the good that may be accomplished by a continued program of development in Randall county.

Regardless of whether Russia lifts the blockade around Berlin or not, Stalin did us a great service by this blockade. It was about the most tragic mistake that he has pulled. He allowed America to rearm our airforce and show the world just how strong we could be in the air. If Congress and the administration will just consider for a minute the meaning of air power and what it means to America in case of war, we will not be caught again in such a desperate situation.

The *News* started printing a weekly birthday column many years ago. In the meanwhile many new persons have moved to Randall county. We do not have their birthday dates. Please, please see to it that your birthday and the date of each birthday in your family living in Randall county is on record at The *News* office. Thanks a lot!

"This is too clean to be a printing shop," remarked a visitor the other day. Why in heck are newspaper offices always branded to be the dirtiest places in town? Newspaper folks are pretty decent chaps, so why don't they keep their plants half way clean? Now you answer that.

Washington says that we now have bombs more powerful than the ones which were used on the Japs. Russia intimates that she has the same kind of bombs. If the Russians keep on fooling around some one is liable to get killed by these bombs.

Why didn't Russia take all of Europe while America was asleep? Just what should a bankrupt nation like Russia want with a bankrupt continent like Europe?

Shucks, here one paper is off the press, and we have to buckle down to fill this paper once more. Sure glad that we do not run a daily.

Going to church may not answer all your problems but the habit won't hurt you any.

Every time a Congressman gets "incensed" about something, he starts an investigation.

Public speaking is easy. It's the thinking before you speak that's hard.

A salesman is now able to persuade you that you can sell as well as he does.

Member of National Editorial Association and Texas Press Association.

Judged as the Outstanding Weekly Newspaper in Texas in 1942. Placed as an Outstanding Weekly Newspaper in "Editing The Day's News" in 1943.

## HOW TO COLLAR A DOLLAR—AUTOMATICALLY!

DO YOU have trouble collaring dollars?

Do you find that after paying your bills and meeting your day-by-day expenses there aren't many dollars left to collar—to save for your future needs?

If you do, here's a bit of good advice! Here's how to collar those dollars-for-the-future automatically!

All you have to do is sign up for the Payroll Savings Plan! Then, regularly as clockwork, part of your earnings are put into U. S. Security Bonds.

Automatically, you start to build financial security, to store up dollars for things you really want—like a home of your own,

or college for your kids, or a healthy retirement fund.

And the dollars you collar this way actually make more dollars. A \$75 Bond will make 25 more dollars in just 10 years. You get back \$100 in cash!

These U. S. Security Bonds help stabilize prices. WISE SAVING means more SENSIBLE SPENDING . . . Fewer dollars go to market to bid up prices on scarce goods.

And it's wise debt management, too. Every bond dollar that is built up in your Government's Treasury is used to retire a dollar of the national debt that is potentially inflationary.

AMERICA'S SECURITY IS YOUR SECURITY!

The answer to world unrest is not found in an outpouring of American dollars nor in the surrender of American advantages. Between now and March 15 the American citizen will discover that it costs money to exert leadership in the world. Americanism: Working hard to be able to do some of the things you want to do and dying before you have a chance to do them.

## ANOTHER WONDERFUL MEAL COOKED ELECTRICALLY

It's a sure bet every time that an electrically cooked meal will be a wonderful tasting meal. It's a sure bet, too, that you're coming out of a sparkling kitchen, where no cooking fumes are staining your walls and ceilings. And it will be easy to wash the cooking utensils, because clean electric cooking leaves pots and pans sparkling, without a deposit of hard soot.

The man of the house will be smiling too, because wonderful electric cooking is so easy on his pocketbook . . . electric service bills are so low.

To bring these smiles to your home, visit your nearest dealer and see the new electric ranges . . . they're wonderful . . . they're economical . . . and you'll want one.

## College Building Amendment Over Last Obstacle

AUSTIN, Feb. 2.—The Supreme  
Court Wednesday made absolute-  
ly final its decision upholding the  
validity of the 1947 election adopt-  
ing the college-building financing  
constitutional amendment.

This happened when the high  
court overruled motions for rehear-  
ing of its recent action in refusing  
to accept an appeal from the deci-  
sions of the Third Court of Civil  
Appeals.

Sixteen state-supported higher in-  
stitutions of learning can now go  
ahead with their building plans.

Since no federal question is in-  
volved there can be no appeal to  
the United States Supreme Court.

Ballard Clark, statistician to the  
State Comptroller, said Wednesday  
that the 5c state ad valorem tax  
would gross about \$2,500,000 on this  
year's taxable valuations. After  
deductions for assessing and collect-  
ing and delinquencies the net will be  
\$2,250,000 to the fourteen participat-  
ing schools.

The University of Texas and A&M  
College base their financing under  
the amendment on the university's  
permanent fund. The 5c property  
tax assessment is left to the other  
fourteen state colleges.

## Hereford Chamber To Banquet Tonight

Invitations have been received in  
Canyon for the annual banquet of  
the Hereford Chamber of Commerce  
to be held Thursday night.

The banquet will be held at 7:30  
o'clock at the First Christian  
Church.

Senator Robert Taft, Republican  
leader in the Senate, is finding it  
easier to work with so-called "liberal  
Republicans." Republican Senators  
of all shades of opinion are discover-  
ing that they all look alike to the  
Democratic leaders, with the result  
that there is more incentive to work  
together.

John Snyder, Treasury Secretary,  
is not at all enthusiastic about new  
plans to spend U. S. dollars for more  
help to the outside world. Mr. Syn-  
der wants to be sure that this coun-  
try can meet its expenses at home  
before taking on more commitments.

One virtue he had in perfection  
which was prudence—often the only  
one that is left to us at seventy-two.  
—Oliver Goldsmith.

## BOYCE HOUSE "Gives You Texas"

More memories of a sojourn in  
California (to help write "Boom  
Town" nine years ago):

Of course, in Hollywood, you could  
go to church. And they have more  
sects out there than anywhere else  
in the world—Oriental, metaphysi-  
cal and many more, including the  
denominations we are all familiar  
with.

Your columnist one night attend-  
ed a service conducted by Aimee  
Semple McPherson. The preliminary  
part of the service was already un-  
der way; a brass band was playing.  
The man next to me said I had  
missed a xylophone sextet. The  
main floor, first and second gal-  
leries were full and the third gal-  
lery was almost filled. The roll of  
states was called and there were  
people there from 47.

Then Sister Aimee appeared. She  
was wearing a white robe; and the  
sleeves, when she raised her arms,  
looked like wings, and she had on  
a sort of gold halo. She had a bril-  
liant smile, was very fine-looking  
and had a rich speaking voice. Her  
subject was "And the Rains Came."  
(A motion picture with that title  
had been made a short time before  
and was a big hit; the title is, of  
course, taken from the Scriptures.)

She told the story of Noah. As  
she was speaking, a curtain parted  
behind her and there was Noah  
warning his fellow townsmen that  
a flood was coming but they scoffed  
at him. (The scene was acted out,  
silently.) Sister Aimee went on  
preaching and there was a second  
scene which showed Noah and his  
sons building the ark. Then the  
animals were shown entering, two  
by two. Another scene showed the  
flood; the ark, in the distance, was  
being tossed on the waves while the  
lightning flashed from the angry  
sky.

It was the most remarkable ser-  
mon I ever saw.

The service closed with a song by  
a choir of young women who wore  
robes; each held a colored arch  
above her head and they sang "Over  
the Rainbow."

Was in Odessa recently and the  
wind was sure blowing. My friend,  
Harley Hightower, publisher of the  
Morning Herald, and I went to a  
drive-in show. It was a Gene Autry  
picture and the wind was so strong,  
it blew Gene Autry out of the sad-  
dle!

Soviet reports progress in mili-  
tary training of civilians.

## Blake Timmons Has Selected Help For Legislative Jobs

Austin: Representative Blake  
Timmons of Amarillo Wednesday  
announced the appointment of his  
staff for the 51st Legislature after  
he was named Chairman of the  
Commerce and Manufactures Com-  
mittee and as a member of the  
Constitutional Amendments, Con-  
servative and Reclamation, Rules,  
and Elections Committees.

Miss Mary Lou Streuber, a junior  
law student at The University of  
Texas and Amarillo High School  
graduate, will serve as Timmons'  
secretary. She is the daughter of  
Mr. and Mrs. G. J. Strueber, 1301  
Jackson. Her mother is a veteran  
worker in the Amarillo Post Office.

Billie Ralph Andis, who worked  
part time for Rep. Timmons and  
Senator Grady Hazlewood during  
last session, will be Timmons' chief  
clerk and legal stenographer during  
the new session. He is a graduate of  
Clarendon High School, a senior  
business administration student and  
son of Mr. and Mrs. E. Ralph Andis,  
1302 Broadmoor St., Amarillo, across  
the street from Rep. and Mrs. Tim-  
mons' home.

Serving as committee clerks for  
Timmons will be two other Pan-  
handle students in the University,  
Joe F. Bishop of Hereford and H.  
D. White of Canyon. Bishop held  
the same post two years ago and is  
the son of Mr. and Mrs. Joe B.  
Bishop, Hereford. Mr. White is  
president of the Panhandle Club at  
the University and is the son of  
Mr. and Mrs. Loy T. White of  
Plainview and formerly of Canyon.

The White House, with its proposal  
to make more dollars and more U. S.  
skill available to the outside world,  
was seeking to placate Latin-Amer-  
ican nations that feel U. S. is using  
all its generosity to give good things  
to Europe while forgetting its old  
friends. Nations outside Europe are  
not getting a very big cut of the  
dollars that now are being passed  
around.

Senator Arthur Vandenberg is un-  
der increasing pressure to give the  
go-ahead signal to Republicans who  
wish to make an issue of some el-  
ements of U. S. foreign policy. A  
growing number of Republican Sen-  
ators feel the party is missing a bet  
in going along with Democratic  
plans, whether or not they have  
prior G. O. P. approval.

## PRESIDENT'S BIBLE

The Bible used by President Tru-  
man in taking the oath of office on  
his inauguration was furnished by  
his home town, Independence, Mis-  
souri, at a cost of \$5,000. The two-  
volume work, with an estimated  
weight of 25 pounds, bound in mo-  
rocco leather is a reproduction of  
the original Gutenberg Bible, print-  
ed about 1456, and one of 100 printed  
in 1913-14 at Leipzig, Germany.

John J. McCloy, president of the  
World Bank, would be interested in  
finding some good projects in Latin  
America or elsewhere on which to  
make loans. He, however, still thinks  
that there should be at least a  
reasonable chance that loans can be  
repaid and a reasonably clear plan  
for spending money before it is  
loaned.

**BRIDGE-LUNCHEON FOR FRIDAY AFTERNOON CLUB**

Mrs. J. D. Barker was hostess Friday afternoon at 1 o'clock to the Friday Afternoon Bridge Club at her home. Members and guests

were served luncheon from a beautifully set table centered with red flowers flanked by red candles. The Valentine motif was carried out in decorations.

Guests of the club were Mrs. Her-

schel Coffee and Mrs. William Moore, and members present were Mrs. Lee Foster, Mrs. Bill Black, Mrs. Ray Campbell, Mrs. Guy Harp, Mrs. R. A. Neblett, Mrs. Clarence Thompson, Mrs. C. W. Warwick,

Mrs. Dan Sanders, Mrs. Bryan McDonald, Mrs. T. H. Knighton and the hostess, Mrs. Barker.

**MY AZALEAS are in full bloom.** Stevens Floral Co.

**MISS PATTERSON SPEAKS AT WEST SIDE CLUB**

"You can have year round color in your landscape," was the topic Miss Lou Ella Patterson discussed with the West Side Home Demonstration Club when they met February 2, with Mrs. J. W. Bourn at an all day quilting.

Other points brought out by Miss Patterson were, that all shrubs should be planted far enough from the house and walks so they can grow properly. When shrubs are pruned it should be done under the foliage so the ugly ends do not show. There are several different kinds of shrubs which will add color to the yards in winter.

Rose satin which was ordered was received and passed out to the members wanting it. A bolt of blue is to be ordered when the rose is bought.

Mrs. T. W. Watson volunteered to be the council representative to take Mrs. C. E. Head's place.

February 16 a school on work simplification will be conducted. Mrs. B. A. Burrus and Mrs. J. D. Pruett were elected to attend this school.

Those present were Mrs. John Hunter, Mrs. Pat Baber, Mrs. Jennings, Mrs. J. B. Hagar, Mrs. E. N. Zachry, Mrs. Smith, Mrs. Ray Metcalf, Mrs. J. D. Pruett, Mrs. R. A. Burrus, Mrs. B. A. Burrus, Mrs. J. J. Wright, Mrs. Harley Burrus, Mrs. Ed Bourn, Mrs. J. F. Watson, Mrs. Lewis Tuck, Mrs. Riley Roberts, visitor, and the hostess, Mrs. Bourn.

The next meeting will be with Mrs. Herschel Jennings on February 17 instead of the 16, at 2 o'clock.

**ZITA CLUB HEARS REPORT ON SHRUBS**

Zita Home Demonstration Club met February 8 in the home of Mrs. S. H. Condon, with Mrs. Stuart Condon as hostess. The meeting opened with the singing of "The Song of Peace."

Mrs. Baillie McCormick gave the THDA report. Recreation report was read by Mrs. Ethel Michael. By-laws of the constitution were read and amended. Council report was given by Mrs. James Jennings.

Miss Lou Ella Patterson presented a demonstration on "You Can Have Year Round Color in Your Landscape." She showed pictures and cutting of various shrubbery to the club.

The Valentine motif was carried out in the decorations and table centerpiece. Cherry pie with whipping cream, mints and coffee were served to Dean Angel, Estelle Bennett, Geneva Fulton, Juanita Gruner, Ila Jennings, Donabel McCormick, Dorothy Olson, Martha Olson, Esther Olson, Helen Ruthart, Miss Lou Ella Patterson, Mrs. S. H. Condon, guest, Mrs. Barbara Cullender and son Mike, and the hostess, Mrs. Stuart Condon.

The next meeting will be held February 22 in the home of Mrs. Irma Nestlerode at 1309 Western Avenue in Amarillo.

**MUSIC ARTS CLUB STUDIES SIBELIUS' LIFE AND WORK**

Members of the Music Arts Club met on Monday evening with Mrs. Lee Foster. The program was devoted to a study of Finnish composer, Sibelius. Mrs. Dan Sanders gave a biographical and critical sketch of the composer, and Mrs. Herschel Coffee played recordings of the Fourth Symphony by Sibelius. After the program Mrs. Foster led the group in singing of a three-part arrangement of Sibelius' song "Vale of Tuoni." During the business meeting, Mrs. H. R. Fulton, Jr., was elected to membership in the club.

Mrs. Foster served a dessert course to: Mrs. Sanders, Mrs. Coffee, Mrs. Glenn Truax, Mrs. L. F. Shetty, Mrs. Joseph Findley, Mrs. Glenn Dowlen, Mrs. Ples Harper, Miss Matilda Gaume, and Sally Foster, daughter of the hostess.

**MRS. C. O. COOPER HOSTESS ROSE WALKER CIRCLE**

Mrs. C. O. Cooper was hostess to the Rose Walker Circle of the First Baptist Church on Tuesday afternoon at her home. The devotional was given by Mrs. I. M. Steen, and those on the program were Mrs. C. H. Stratton, Mrs. G. B. Combs, Mrs. J. D. Key and Mrs. J. C. Dowd.

The group voted to donate \$450 to the March of Dimes. Those present were Mrs. Combs, Mrs. J. H. Wright, Mrs. Steen, Mrs. Jessie Reid, Mrs. R. E. Gill, Mrs. Cynthia Anderson, Mrs. W. H. Sparks, Mrs. Stratton, Mrs. J. D. Key, Mrs. George Small, Mrs. M. E. Sogee, Mrs. E. B. Anthony, Mrs. T. T. Fain, Mrs. J. C. Dowd, Mrs. J. W. Norvell, Mrs. Lula Johnson and the hostess.

The next meeting will be Feb. 15 in the home of Mrs. J. W. Norvell.

**PRISCILLA CLUB MET WITH MRS. ERNEST BROWN**

Mrs. Ernest Brown was hostess on Wednesday, February 2 to the Priscilla Club in the home of Mrs. C. M. Presley.

The Valentine motif was carried out in the refreshments and club members were served a salad course with coffee.

Present were Mrs. Virgil Henson, Mrs. J. W. Shook, Mrs. I. F. SoRelle, Mrs. T. H. Knighton, Mrs. E. D. Walker, Mrs. Clyde McElroy, Mrs. J. Evetts Haley, Mrs. S. B. Louder, Mrs. C. M. Dowlen, Mrs. J. L. Duflot, Mrs. Alfred Bellah and Mrs. J. J. Walker.

New officers elected were Mrs. SoRelle, president; Mrs. Bellah, vice president, and Mrs. McElroy, secretary-treasurer.

Don Fitzhugh, manager of Moses Store, is in Dallas the first of this week attending a managers meeting.

**MY AZALEAS are in full bloom.** Stevens Floral Co.

**Whatcha Know? Joe!**

Newsman and arm-chair diplomats strove unsuccessfully to arrange a meeting between President Truman and Marshal Stalin, but it was no trick at all for artist Jacek Karpowicz of Paris, France. Karpowicz, who views the present era of "phony peace" pessimistically, made his own Truman and Stalin of papier-mache, and got them together for this striking portrait.

**LOYALTY 4-H CLUB HAS REGULAR MEETING**

The Loyalty 4-H Club met in Miss Lou Ella Patterson's office on January 26. Miss Patterson taught the members of make buttonholes.

The club has one new member, Barbara Winters. Others present were Doris Bourn, Betty Burrus, Gladys Leseberg, Lila Mae Hunter, Gwendolyn Carter, Billy Rae Carter, Juanelle Burrus and Barbara Winters.

Mrs. Florence Stephenson and Suzanne, Mrs. B. C. Taylor, Mr. and Mrs. Ed Bailey of Espanola, N. M., and Mrs. Mildred Sullivan went to Borger Sunday where they visited Mr. and Mrs. Lee Bailey and Jerry Bailey.

Mr. and Mrs. Bob Dowd have returned to Canyon to make their home. They will live near Happy Bob graduated from Texas A&M College at College Station, last month.

Guests on Sunday in the home of Mr. and Mrs. A. B. Berry were Mrs. Berry's uncle and family, Mr. and Mrs. J. J. Neal and daughter from Sunray.

Mrs. C. E. Davidson, mother of Mrs. Bryan McDonald, is out of the hospital in Houston and is at the home of her daughter, Mrs. Mark Garwood.

Mrs. B. J. Sutton of Dallas is spending this week here with Mr. and Mrs. E. J. Larson and family.

Marie Swanson of Midland visited Saturday in the E. I. Boyce home.

**MY AZALEAS are in full bloom.** Stevens Floral Co.

Mr. and Mrs. Edgar Robinson and children spent the week end in Borger visiting with Mr. and Mrs. Lee Bailey. Mrs. Robinson and Mrs. Bailey are sisters.

Mr. and Mrs. Barney Walker of Samnorwood spent the week end here with their son and his family, Mr. and Mrs. Jack Walker and son, Billy.

Mr. and Mrs. Joe Thornton and children from Vigo Park, were guests Sunday in the home of Mr. and Mrs. Charlie Upfold. Mrs. Thornton and Mrs. Upfold are sisters.

Mr. and Mrs. A. B. Odom spent the week end in Plainview at the home of Mr. and Mrs. J. A. Womack. Mrs. Womack is Mr. Odom's sister.

Visiting last week end in Dalhart were Mr. and Mrs. Clay Cooper and Charles. They visited Mrs. Cooper's parents, Judge and Mrs. C. E. Hill.

Mr. and Mrs. Edd Bailey from Espanola, New Mexico, spent last week end here in the home of her mother, Mrs. B. C. Taylor.

Mrs. Glenn Hartsell of Texline visited Mrs. Everett Trout here Wednesday.

Even a careful automobile driver will sometimes meet with danger—it's a good rule to expect the other man to be careless.

What has become of the old fashioned politician who preferred to stand by his principles rather than serve special interests?

New Suez oil discovery may give Egypt a surplus.

You'll want the proper announcements or cards for it. You'll want them worded correctly, printed perfectly, on fine quality paper stock. We're ready with the answers to your questions, the experience, and the equipment to serve you well.

## Speaker Rayburn Meets a Texan

● Linda Brown of San Antonio, March of Dimes Poster Girl, makes herself at home on the desk of Speaker of the House Sam Rayburn in the Capitol at Washington. She greeted the Speaker after opening the 1949 Fight Infantile Paralysis drive during a call on President Truman in the White House. Linda is holding the Speaker's pipe and his pencil.

President Truman is letting it be known quietly that he is undecided whether to be a candidate for re-nomination in 1952. The President has made it clear that he will keep other aspirants for his job guessing until the last minute as one means of assuring power to dominate selection of a successor, if there is to be one.

A Glasgow architect has abandoned his profession to become a Scotch comedian on the variety stage. He should be able to draw good houses.

John Foster Dulles, acting head, U. S. Delegation to U. N. General Assembly: "I don't see any likelihood of any early agreement with Russia, but disagreement does not necessarily lead to war."

Arthur H. Vandenberg, U. S. Senator from Michigan: "I deeply regret the retirement of Secretary Marshall, who is one of the great Americans of all time."

Harry S. Truman: "Unless world trade is increased, the tremendous investment we are making toward world economic recovery will be largely wasted."

David Maxwell Fyfe, Member, British Parliament: "I ask the Jews, not only in Palestine, but in the United States, to pause before they alienate English goodwill."

L. N. Palar, spokesman for Indonesian Republic: "A great number of Protestant ministers in Indonesia have been and are Netherlands and East Indies civil servants."

New York Times editorial: "In a broad sense it may be said that the President's new budget reflects, in its general outlines, the state of world affairs."

Kenneth I. Brown, president, Association of American Colleges: "You cannot do justice to our American culture and keep religion as an elective on the fringe of the campus."

When you go hunting, do not move the bushes.

Thomas E. Dewey, New York Governor and twice defeated as Republican nominee for the Presidency, is interested in trying a third time if the party is agreeable. Governor Dewey at least wants to have a major voice in selection of the party's next candidate if he does not get the call himself.

Dean Acheson, new Secretary of State, is as completely without political ambitions as was Gen. George Marshall, his predecessor. That fact played a part in the choice of Mr. Acheson over some others who were interested in the job.

Clifton A. Woodrum, former Member of Congress from Virginia: "Business men must not be afraid to go to politicians."

## WIRT ELECTRIC CONSTRUCTION COMPANY

### THE OLD, OLD STORY

"Mother, did you notice that some of my toys looked shopworn or second-hand when I got them at Christmas?"

"Yes, dear, I suspect that your father and grandparents almost wore them out playing with them."

### STICKLER FOR TRUTH

Kind Lady (to red-cheeked little boy): "Well, my little man, you've got roses in your cheeks, haven't you?"

Little Man: "No, ma'am. That is a wad of gum."

### GOOD BARGAIN—MAYBE

The farmer, back from the country fair with a new horse, found the animal refused to eat or drink. The farmers' eyes gleamed hopefully. "By golly, I've got a real bargain if he's a good worker," he exclaimed.

### AH, ME!

"I wish I lived in Greenland."

"What for?"

"With a night of six months ahead of you, it must be great to think that there is nothing to do until tomorrow."

### HEY, THAT MAN'S IN AGAIN!

"So that Hollywood yes-man is on a vacation?"

"Yes, he had to do something to relieve so much aye-strain."

### NO GOOD ONES

Boss: Have you any excuse to offer for such laziness?

Clerk: I haven't any that will work.

If the people of the world are equal in the realm of politics, society and religion why not distribute the world's wealth in a way to make them equal financially?

Jefferson Caffrey, Ambassador to France: "Our world policy is based on the existence in Europe of free nations, faithful to Democratic principles."

Harold E. Stanson, President, University of Pennsylvania: "We can sense all over the world the determination of men to be free."

Edvard Kardell, Yugoslav Foreign Minister: "Our people are accustomed to defend truth, no matter from which quarter it is attacked."

The main trouble with moralists is that they always want to reform somebody according to their ideals.

There is no limit to the amount of money some people think the government can spend.

### EXIT CUE

Visitor: "Do you like reciting, dear?"

Child: "Oh, no, I hate it really. But Mummy makes me do it when she wants people to go."

Lack of economic crisis in U. S. puzzles Soviet economists.

## In TOUCH with GOD

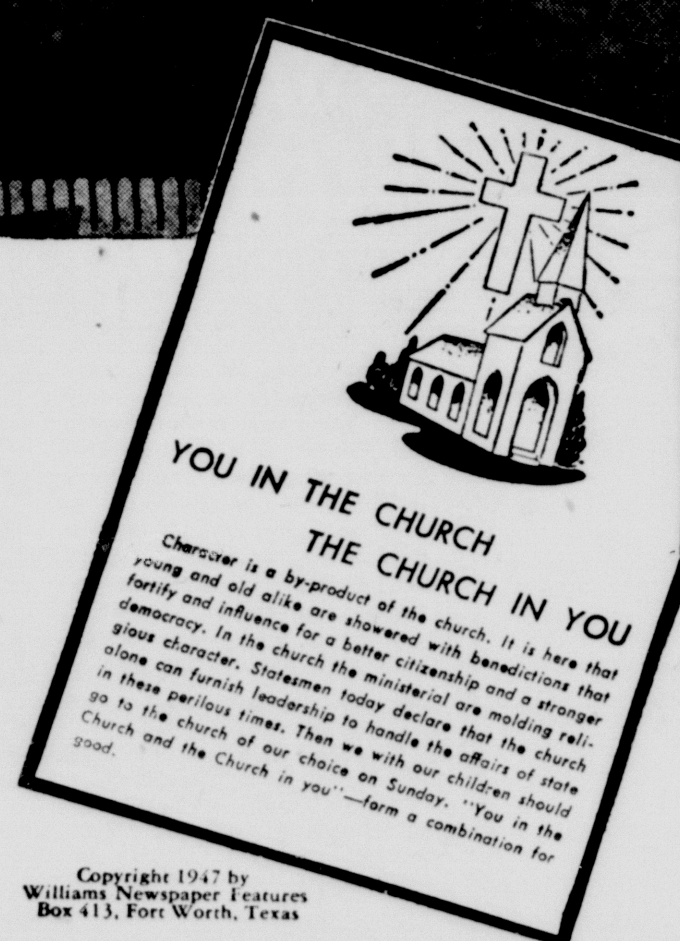

Millions of miles of wire have come to the aid of Morse and Bell, to make it possible that you and I shall be able to communicate with those we love. Do you remember how you thrilled to hear the voice of your son who had been across the Pacific? Back in the homeland, his first thought was to talk with the home folks. Thus we have been privileged to keep close contact with absent members of the home, though many miles away from the fireside. Life must touch life and we are the better for the inflowing of one life upon another. Love cries out for the hand and voice of the beloved.

Out of his heart of love the Heavenly Father called us into being that we might be with Him. Made in His image, created for fellowship with each other and with God, our hearts are restless till they find rest in Him. We find ourselves as the children of divine love and care; we belong to the household of God; we are all prodigals until we come to be at home with the Father.

How may we keep in touch with God? Eyes of faith will reveal God at work by our side this very day. He is not far away, in some secluded haven; He walks our way and if we will open our eyes we shall find Him as near as was the Master with the disciples on the way to Emmaus. There is "The Christ of the Indian Road" and there is the loving Spirit of God on every road where God's children must travel.

Our speech with God we call Prayer; it is the reaching out of the human hand to be grasped by the divine; it is a sense of invisible but genuine comradeship. "He walks with me and He talks with me" and I know I live in His care.

When we gather in companies to sing praise to our Father—God—we call that activity Worship; it is a reverent sharing of the sense of divine blessing; it is the family of God gathering for a weekly home coming of the soul. Your life and mine will be radiant and strong if we keep up our lines so we can keep "In touch with God."

## News In Canyon 25 Years Ago

(Taken from the files of the  
Randall County News of  
February 14, 1924)

The News published a 16-page edition dedicated to Homeseekers and Trades Day.

The Buffalo basketball team took the lead in the TIAA conference.

J. Evetts Haley was elected editor of Le Mirage for the coming year.

Federal Deputy Marshals took charge of the ballot boxes to ship them to Washington. The Mayfield-Peddy contest was the reason. (Incidentally Randall county lost all of its ballot boxes by this contest and had to replace them in the next election.)

The American Legion sold flags to all business houses for display on important days.

Plans for a new depot in Canyon have been approved by the Amarillo office and forwarded to Chicago.

The name Huntleigh Hall has been changed to Randall Hall since the Hall has been bought by the State.

Col. Chas. Goodnight has given a large number of his important papers to the Panhandle-Plains Historical Society.

Davis Hill was elected captain of the Buffalo basketball team for next year before the team left on its trip for a seven-game schedule. The son of President and Mrs. J. A. Hill, Davis will be the only man of this year's first string on next year's team.

### CARD OF THANKS

We wish to thank our friends in Canyon and the surrounding community for your many thoughtful deeds during the illness and death of our mother, Mrs. Nannie May Kiker. Your many ways of assisting in our deep sorrow are sincerely appreciated and may God richly bless you all. Mr. and Mrs. Lewis W. Kiker and son, Mr. and Mrs. Luther E. Kiker and children, Mr. and Mrs. Charlie M. Kiker and children, Mr. and Mrs. Fred Criswell and children, Mr. and Mrs. Glenford H. Fowler and children, Mr. and Mrs. Odie B. McNeely and children.

United Jewish Appeal sets \$250,000,000 quota for 1949.

## RELIEF AT LAST For Your COUGH

Creomulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. Tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough or you are to have your money back. **CREOMULSION** for Coughs, Chest Colds, Bronchitis

## OUR DEMOCRACY—by Mat

"The legitimate object of government is to do for a community of people whatever they need to have done, but cannot do at all, or cannot so well do for themselves in their separate and individual capacities. In all that the people individually can do as well for themselves, the government ought not to interfere."

ABRAHAM LINCOLN

## High School Press Will Meet at West Texas State on March 5th

Principal speaker at the Panhandle High School Press Association's annual convention March 5 at West Texas State College will be Felix R. McKnight, assistant managing editor of The Dallas Morning News.

McKnight is not only an outstanding newspaper executive, but also widely known as one of the top reporters of the press.

The dynamic young editor, sometimes styled as the man who told Texas about World War II, was born in Dallas. His parents moved to San Antonio when he was a child. He attended public schools in San Antonio and Texas A&M College.

His first experience on a newspaper came in 1925 when he went to work for the San Antonio Evening Light. In 1933 he joined the Associated Press in Dallas. He served the AP for nine years as a general staff writer and state editor, and gained considerable reputation as a sports authority and a political reporter.

McKnight joined The Dallas Morning News as a staff correspondent in 1941. Two years later he was promoted to assistant managing editor. Under his guidance the News has set up one of the nation's most imposing editorial forces.

He is a member of the American Society of Newspaper Editors and of the executive board of the Associated Press Managing Editors Association.

The versatile reporter-executive has covered virtually every type of newspaper story from sandlot baseball to Presidential tours. He covered the Texas legislature, Rose, Cotton and Sugar football bowl games, two tours of the late President F. D. Roosevelt, National Open Golf championships, Davis Cup matches, and more state and national political gatherings than he can remember. He headed a staff of eight as-

sociated Press men who covered the New London school explosion in which 297 children lost their lives.

In 1944 he won the coveted Sigma Delta Chi award for an editorial, "Christmas Every Day." In that same year he also won the Dallas Junior Chamber of Commerce award as the outstanding young man of his city.

During World War II he led several Red Cross campaigns for blood donations, was vice-chairman of four bond drives in Texas, and conducted a series of radio programs about the state's war heroes, calling for greater home-front participation in the war. It was during this period he wrote numerous dramatic articles of war action, bringing the realities of war more clearly to public attention.

He has achieved also some renown as a public speaker. His address at 11 a.m. Saturday, March 5, in the Education Building auditorium, will be open to the general public. His message to the young men and women of the Panhandle's high school press will be interesting to any one who is interested in the youth of America and its role in journalism.

### MISSING

Shortly after Admiral Byrd's notable polar expedition returned from the land of ice, someone asked one of the men what one thing he missed most while away. "Temptation," was the brief answer.

Supreme Court of New Jersey: "Perjury, in the course of trials, is all too rampant."

NO. 606  
IN THE GUARDIANSHIP OF  
VANCE HUFF, a person of  
unsound mind  
IN THE COUNTY COURT OF  
RANDALL COUNTY, TEXAS  
NOTICE OF APPLICATION TO  
EXECUTE OIL AND GAS  
LEASE

TO ALL PERSONS INTERESTED  
IN THE ESTATE OF VANCE  
HUFF, A PERSON OF UNSOUND  
MIND:  
You are notified that I have on the 2nd day of February, 1949, filed with the County Clerk of Randall County, Texas, an application under oath for authority to make an oil, gas and other mineral lease with pooling or unitization provisions on that certain real estate belonging to such ward described as follows:

An undivided 1-80 interest in the South Eleven (11) acres of the SW-4 of Section 60, Block 3, Gunter & Munson Survey, Hutchinson County, Texas, that the Honorable Burney Slack, Judge of the County Court of Randall County, Texas, on the 2nd day of February, 1949, duly entered his order designating the 21st day of February, 1949, at 10:00 o'clock a.m. in the County Court Room in the Court House of such county as the time and place when and where such application would be heard at such time and place.

## Former Citizen of Randall Is Dead

According to word received from Phoenix, Arizona, E. W. Neece, 81, died Saturday at his home in that city. The funeral was held Monday, with cremation at Greenwood Memorial Park.

The Neece family lived in Randall county from 1910 until 1918. Mr. Neece was county commissioner from Precinct 3.

Surviving are Mrs. Neece, three sons, C. T. Neece, Eldridge and Rhodes.

Labor leaders are beginning to suspect that President Truman does not credit them with having won the November election for him singlehanded. The President is not insisting that Congress restore the old Wagner Labor Relations Act, as top labor leaders want.

One fashion designer predicts shorter skirts which makes the men sit up and take notice.

## The Answers

1. Almost 2,500,000.
2. An estimated 1,850,000, as compared with the record of 2,300,000 in 1946.
3. George Washington, in New York City, 1789; Adams, Philadelphia, 1797; and Coolidge, Plymouth, Vt., 1923.
4. Norway.
5. Chaim Weizmann; David Ben-Gurion; and Moshe Shertok, respectively.
6. Dean Acheson, as Secretary of State.
8. Burma, Pakistan, Ceylon, and Australia, respectively.
9. About 15,000.
10. More than 3,650,000, just under the all time high of 3-910,000 in 1947.

All government is ultimately and essentially absolute.—Samuel Johnson.

PLUMBING SUPPLIES

HEATING SUPPLIES

605 23rd St.

Phone 448

**This is a diesel** ... a modern locomotive that means better service to you.  
**Leaders of two unions think it's a feather-bed** ... a "make work" grab that means less service to you.

● Leaders of unions representing railroad engineers and firemen seek to force railroads to add extra, needless men on diesel locomotives. This is sheer waste—a "make-work" program which would mean fewer improvements and higher costs—for YOU!

Railroads use modern diesel locomotives because they are one of the means of giving faster, better service to you.

Two men compose the crew of a diesel. The engineer handles the throttle. The fireman sits and watches the track ahead. With no coal to shovel, he has practically nothing else to do.

### No Benefit To You

Now the leaders of the Brotherhood of Locomotive Engineers and the Brotherhood of Locomotive Firemen and Enginemen want to use the diesel locomotive as a means of forcing a feather-bedding scheme on the railroads. The extra men they propose to add to the diesel crews are not needed. There is no work for them.

The union leaders are fighting among themselves about which union should furnish these extra, needless men. The Brotherhood of Locomotive Engineers have even threatened a strike. You may not be interested in this dispute of these two unions, but you would be vitally concerned if these groups succeed in putting through this feather-bedding scheme, because it would mean a slowing up of the improvement program of the railroads—of which the diesel is the outstanding symbol. Diesel crews are among the highest paid

railroad employees—real aristocrats of labor! Their pay is high by any standard. Granting of these demands, therefore, would mean that the railroads would be paying out millions in unearned wages to those in the very highest pay brackets.

### We'd Like To Spend This Money On You

You know how much the diesel has meant to you in increased speed, comfort and convenience. The railroads have many more of them on order for even greater improvement in service to you. But needless drains of money, such as this present demand of the unions for needless men on diesels, reduce the ability of the railroads to spend money on better service for you.

Proud as the railroads are of the diesel, it is only a small part of their improvement program. Since the War, literally billions of dollars have been spent on improvement of

tracks and stations, on new passenger and freight cars, as well as on diesel locomotives, and on the many other less conspicuous details of railroading that contribute to improved service.

### Feather-Bedding Means Less Service To You

But brazen feather-bedding schemes like the one now proposed would, if successful, divert large sums of money from our present improvement programs. Even worse, they make improvements like the diesel worthless, by making the cost of their operation prohibitive. These demands are against YOUR interests—as well as those of the railroads. They are schemes to "make work". Neither you nor the railroads should be forced to pay such a penalty for progress.

That's why the railroads are resisting these "make work" demands to the last ditch—and why they are telling you about them.

Specials for Friday and Saturday

### MRS. PIERCE HOSTESS TO SUNDAY SCHOOL CLASS

Mrs. Felix Pierce was hostess Friday night to members of her Sunday School Class of the First Methodist

Church. Valentine motifs were carried out in serving refreshments and the group learned to play "42." Those attending were La Nello Gum, Gladys Leseberg, June Davis,

Alice Mae Simms, Beverly Soll, Dorothy Jean Thomas, Norris Samuelson, Lon Fanning, Nancy Lois Adcock, Will De Vaney, Bobby Brune, Frankie Kimbrough, Al Rushing, Jack McCormick, Larry Hungate, and Rhea June Ford.

### EPISCOPAL GUILD HEARS DR. PIERLE FRIDAY

Members of All Saints' Episcopal Guild were guests Friday evening in the home of Dr. C. A. Pierle. At present the group is studying China and Dr. Pierle discussed the culture of China, and displayed many of the linens, china and other items which he brought back with him from China. Chinese tea and cookies were served to the guests. Miss Martha Nell Burton and Mrs. Bob Wright assisted Dr. Pierle.

Members of the Guild present were Mrs. Warren Parker, Miss Jane Darland, Mrs. Frank Kimbrough, Mrs. Fred Jennings, and Mrs. C. L. Joyner.

Ruth W. Ayres, consumer-retailer adviser: "Forward-looking stores want their customers to buy wisely." Elwood Shero and E. L. and Ray

### Hardaway-White Vows Spoken

Mr. and Mrs. W. H. Hardaway of Happy announce the marriage, Feb. 5, of their daughter Louise, to George F. White, son of Mr. and Mrs. W. C. White, also of Happy.

The informal, double-ring ceremony was read in the parsonage of the First Methodist Church in Friona by Rev. C. C. Hardaway, brother of the bride.

Attending the couple were Mr. and Mrs. John Hardaway of Canyon, brother and sister-in-law of the bride, and Mr. and Mrs. E. B. Cabe of Abilene, sister and brother-in-law of the groom.

The bride wore an aqua faille street length dress with matching accessories of black. She carried a white Bible belonging to the Kappa Phi Club of McMurry College of which she is a member. The Bible was topped with a bridal bouquet of sweetheart roses.

Mrs. White is also a sister of Mrs. Elwood Shero and E. L. and Ray

Hardaway of Canyon.

The couple will be at home in Happy after a honeymoon trip to California.

Have you seen the new Spring Dresses at Blacks?

### MRS. SORELLE HOSTESS TO WAYSIDE CLUB

Mrs. I. F. SoRelle entertained the Wayside H. D. Club at her home in Canyon with a covered dish luncheon and later a Stanley products party.

Mrs. Harold Byars, as demonstrator, entertained with several guessing games presenting the winners with useful gifts. Then all present received a gift. In receiving the hostess gift, Mrs. SoRelle presented it to the Wayside Church.

The club decided to take up alum-

inum tray making at a later date. Three club ladies will attend a meeting of the Ralph club to learn the methods of making these trays so as to instruct their club. The club will also take up glass etching at a later date.

Visitors enjoying this occasion were Mesdames J. J. Walker, R. A. Hodges, D. K. McGehee, Harold Byars and Miss Mary Alice Foster of Canyon and Mrs. J. E. McGehee of Amarillo. Others present were Mesdames Agnes Stockett, Mamie Tuggles, Aline Watson, Bernice Hamblen, Othella McGehee, Lee Duke, John Thomas, Doris Foster and the hostess, Mrs. SoRelle.

S. C. Harp, Marvin Fite and Harold Jay Prichard, attended the Bob Hope show in Amarillo Sunday night.

Mr. and Mrs. Jim Cabe left Monday for Phoenix, Arizona where they are taking their small son James, for his health. He has been ill the past few weeks, and doctors recommended a warmer climate. Mrs. Cabe, James and Nikki will remain in Arizona for the remainder of the winter.

Mr. and Mrs. W. A. Warren returned Friday from St. Louis and Chicago where they attended the gift show in Merchandise Mart and did spring buying for Warren's store.

Mr. and Mrs. Lige Frieze went to Terrell last week where they were called by the illness of Mrs. Frieze's mother, Mrs. T. T. Tanner.

## MRS. JACK BARNARD IS HOSTESS CANYON H. D. CLUB

The Canyon Home Demonstration Club met February 4 in the home of Mrs. Jack Barnard. America was the opening song, and each member answered roll call by giving a favorite cake recipe. The minutes were read by Mrs. Bill Money.

The president, Mrs. Newman, showed samples of material for glove making. This project will be undertaken soon. Orders for roses were given. These will be ordered cooperatively through the council.

Mrs. Bill Money was elected for the T. H. D. A. reporter. An interesting cake demonstration was given by Mrs. Christler Crain. It was a "Silver Layer Chiffon Cake."

Refreshments of cake, potato chips and coffee were served to Mrs. Lula Myers, Mrs. Virginia McLaury, Mrs. Jewell Bolton, Mrs. Idelle Roberts, Mrs. Opal Parsons, Mrs. Emma Hood, Mrs. Grace Knox, Mrs. Erma Money, Mrs. Doyce Newman, Mrs. Agnes Fanning, Mrs. Nettie McBroom, Mrs. Emma Hardaway, Mrs. Ruth Shero, Mrs. Opal Newton, a guest, Bettye Craine, and the hostess.

The next meeting will be with Mrs. L. K. Bolton on February 18.

**MISS PATTERSON IS SPEAKER AT PARK CLUB**  
The Park Home Demonstration Club met in the home of Mrs. Leonard Winters on February 3. Following the club song and roll call, Miss Lou Ella Patterson told of the proper shrubbery to be planted for this part of the country and also demonstrated the proper way of setting a table.

Guests were Mrs. Clarence Winters, Mrs. Lon Fanning, Mrs. Raymond Winters, and Mrs. Addington, and members present were Mrs. A. D. Prater, Mrs. Herrick Simon, Mrs. A. T. Burk, Mrs. Mary Simon, Mrs. Grace Raymond, Mrs. Oral Wineinger, Mrs. Tony Simon, Mrs. Flynn Winters, Mrs. Ed Sheets, Mrs. Elmer Winters, Miss Patterson and the hostess. The next meeting will be on February 17 with Mrs. A. D. Prater.

## It Seems We've Heard That Song Before

## H. D. COUNCIL IN MONTHLY MEETING

The Randall County Home Demonstration Council met Saturday afternoon, February 5, in the office of Miss Lou Ella Patterson for the second meeting of the year. Mrs. W. C. Angel, chairman, presiding.

Mrs. Jimmie Hartnett, T. H. D. A. Chairman, announced that the date of the district meeting has been changed to Thursday, April 14. This change means that the nominees from the various clubs must be selected in February to be eligible for the elections of county delegates, which election will be held in the office of Miss Patterson on March 5 at 3:30 o'clock after the regular council meeting.

Committee reports and recommendations were made by the following chairmen: finance, Mrs. L. S. Johnston; year book, Mrs. Frank Simon; exhibit, Mrs. R. A. Burrus; education, Mrs. James Jennings; recreation, Mrs. Ray Metcalf; and marketing, Mrs. Earl Burtz.

Mrs. Angel appointed the following arrangements committee for the district meeting, Mrs. Jimmie Hartnett, Mrs. Ray Metcalf, and Mrs. J. L. Newman.

Miss Patterson announced that a work simplification leadership training school will be conducted the afternoon of February 16. She asked that two members from each club be present.

Council adjourned to meet in regular session at 2:30, Saturday, March 5.

Have you seen the new Spring Shoes at Blacks? 11

## V. F. W. AUXILIARY MET AT PIERCE HOME FEB. 2

The V. F. W. Auxiliary met on February 2 in the home of Mrs. Tommie Pierce. Several phases of the work were discussed. \$5.00 was allotted for Cancer Research, and \$5.00 was donated to the March of Dimes.

All members are urged to be present at the next meeting the first Wednesday in March, at which time officers for the new year will be elected.

Sandwiches, dessert and coffee were served by the hostess, Mrs. Pierce.

Have you seen the new Spring Dresses at Blacks? 11

## EDGETOWN CLUB GUESTS OF CENTRAL CLUB

Mrs. Fred Marshall was hostess January 28 at a covered dish luncheon in her home, for the Edgetown and Central Home Demonstration Clubs. Following the luncheon, Mrs. C. H. Stratton discussed the "In Search of Arabia's Past," Mrs. J. C. Dowd reviewed "An Archaeologist Looks at Palestine" and "Arab Land Beyond the Jordan," and Mrs. T. T. Fain's subject was "Political Situation in Palestine Today."

Those present were Mrs. C. H. Stratton, Mrs. W. H. Sparks, Mrs. M. E. Sogge, Mrs. Ralph Forrester, Mrs. J. H. Wright, Mrs. R. E. Gill, Mrs. T. T. Fain, Mrs. J. C. Dowd, Mrs. Rhea Robbins, Mrs. H. E. Campfield, Mrs. W. I. Wester, and Mrs. Pennie Cox, and the hostess.

Have you seen the New Spring Suits and Coats at Blacks? 11

## EDITH BOYD CIRCLE HAS REGULAR MEETING

Mrs. Leonard Winters was hostess to the Edith Boyd Circle of the First Baptist Church on February 1 at 3 o'clock.

Mrs. Merle Boston led the Bible Study.

Refreshments of Valentine cookies and coffee were served to Mrs. Merle Boston, Mrs. Lee McLaury, Mrs. Bill Money, Mrs. Jack Barnard, Mrs. Lon Fanning, Mrs. Tom Foster, Mrs. Jesse Newman, Mrs. Oscar Hinger, Mrs. Tom Newton, Mrs. Kenneth Cox, Mrs. Everett Trout, Mrs. Christler Crain, Mrs. John Hunter, Mrs. Hugh Greiner, Mrs. R. D. Wheelock, Mrs. Marvin McBroom and the hostess.

## RALPH H. D. CLUB HAS CALLED MEETING THURSDAY

The Ralph Home Demonstration Club held a called meeting Wednesday, February 2 in the home of Mrs. L. S. Johnston. The members worked on their aluminum trays. Luncheon was served to Mrs. Sam Hill, Mrs. David Horn, Mrs. Harold Byars, Mrs. L. L. Byars and Mrs. Charlie Elkins.

## Stock Market Reversals and More Unemployment Causing Shock In Government Circles as to Future

Nothing that could be called alarm is disturbing the business world. However, there is a great deal less unquestioning belief that the post-war boom is going to continue for an indefinite period to come.

A good many of the signs are pointing downward now. There was a noticeable drop in employment during the last months of 1948, and jobs are nowhere as easy to find as they once were. As 1949 opened, prices were lower at the beginning of the preceding year—the first time that has happened in 10 years. One automobile manufacturer announced a substantial cut in production, due to the fact that new cars were piling up in their dealers' warehouses. In a long list of lines consumer resistance is noticeable, an a buyer's market is setting in. In almost all lines, more and more consumer caution has been evident. Savings are down, and installment purchasing has increased. In enterprises which live on luxury spending—entertainment, vacation travel, furs and jewelry, etc.—the drop in business has been relatively heavy.

This poses a question which only time can answer. Is the decline from the postwar peak simply a normal and inevitable adjustment following an avalanche of spending for goods which were completely unobtainable for years? Or is it the start of a serious business setback that could run into a real depression? Most of the economists still favor the first view. But they have their fingers crossed.

One theory holds that a depression of the extreme type, such as

that of the '30s, is no longer possible—that the government is now geared to immediately prime the pump and through various spending and various controls keep the machine ticking at a good rate until normal economic forces for the better could again take over. But that is strictly a theory, and no one really knows how it would work out in practice. Few people are willing to bank on it for their economic salvation.

The change in the business picture, small as it has been, seems to be making itself felt in some congressional circles. As an example, a considerable list of lawmakers, including many on the Democratic side, look with little favor on more taxes, either on individuals or corporations, on the grounds that they might act as a deterrent to production and plant expansion. There is also a strong sentiment against complete repeal of the Taft-Hartley Act and a return to the Wagner Act, because of the danger that another wave of strikes and other labor-management disputes might result. This sentiment, incidentally, seems to be shared to some extent by members of Mr. Truman's official family.

## Steel Production By Government Opening Wedge

There has been a great deal of concern over the proposal, made in the President's State of the Union message, that the government be empowered by Congress to go into the steel business if private industry does not produce "sufficient" steel. Just how much steel would be considered "sufficient" would be decided by the government, thus placing it in the position of being judge, jury and prosecutor, all in one.

There is every reason in the world for concern—socialization of steel, no matter how small the degree, would be a very long step down the road that is gradually leading to the destruction of liberty and initiative in England. However, the American people seem to have overlooked the fact that socialization of enterprise is nothing new to the American government,—and that we have been in the midst of a trend which must be stopped if our system of economics and our system of government are to live.

Electric power is the prime example. What real difference is there between a government-owned power plant and a government-owned steel plant? Both have their roots in the socialist ideology; both are the enemies of free enterprise; both represent a triumph of political power over the rights of the people. The government has spent billions for socialized electricity. It wants to spend billions more. It has, in various regions, made it impossible for the private companies to carry on major expansion work. And, to pay for this, it has saddled us with more and more taxes.

The fact is that the proposal for a government steel plant simply follows a precedent already established. Fortunately, precedents can be changed. The problem before the American public is whether we want stultifying socialism based on the European pattern, or whether we want to keep a philosophy of life that has given us more freedom and more opportunity than any other people has ever known.

## Property Owners are In a Hard Shape in Ownership of Home

In years past real estate was looked upon as the soundest investment in the nation. Folks with small means bought homes and apartments for rental purposes, therefore making it possible for them to live on limited incomes. Under rent control, owners of many homes are forced to rent at a loss, because of increased tax, insurance, upkeep; together with increase in their own living. Their inflated dollars will not cover their cost of living.

Eviction of renters by the wholesale has been started in order to get better rents.

An authority on this subject states:

"Conditions are changing and changing fast. In the past when a man or group of men found that their business was unprofitable, they were at liberty under our system of free enterprise to go out of business. Real estate has always been the largest enterprise of our nation, the building and renting of homes representing a large segment thereof. Now the rental business is unprofitable and in the majority of cases is showing a loss. The owners of rental property want to see at a further loss is necessary. They cannot sell a house that is occupied, therefore, they must request the present tenant to vacate before offering the house for sale. But the Federal Housing Commission says NO, you must continue to rent houses at a loss if necessary. All of which can only mean that the federal government will have to buy these rent houses with tax money. If the fast drying up of taxable resources fails to supply the taxes, there is but one resource left—confiscation."

Sun came out, almost like Spring And I'm back with gossip again.

Willis Parsons, why did you leave the show early Saturday night? Could it be, as we saw you later, to ride around with Janey Jennings?

Philip Busted and Gladys Thomas were seen at the local cinema last Saturday night.

Is it true that Melva Martin is going to the banquet with a boy from Amarillo?

Bettie Slagle surely has that lonesome look since Louie Davis went into the Army.

Clara Sue Hardaway surely can make pretty eyes at Wayne Price. Can't she?

The new girl, Mary Depriest, does get around. She has invited Robert McClendon to the Sweetheart banquet.

Rebecca Irvine and that cute college boy, Ted Hudlow, were having a swell time after church Sunday night.

It has been let out that Mary Ann Sloan is going with Don Hickman to the Sweetheart Banquet.

Travis Payne and Shirley Dixon were at the show the other night.

Well, I'll be back next week with my long nose and big ears.

#### Senior Personality

A TREE GROWS FOR PENCILS.

When we speak of lead pencils we really do not mean "lead" at all, for there is no lead in the pencils we use today. Graphite is the correct name of the substance used in pencils.

The cases or wooden coverings of our pencils are generally made of a fine, red-cedar wood, which grows in the southern United States. Such great quantities of this wood have been used for pencils that the tree is becoming very scarce. The cedar wood is brought to the pencil.

The slabs are run through a grooming machine which cuts six narrow grooves just large enough to hold the lead.

Erasers are put on by machines which press tightly to the pencils the little nickel caps for holding the rubber.

Many millions of pencils are manufactured in the United States each year. It is said that every person in the country could have eight pencils a year without using up the supply. Enough pencils are made in the United States annually to reach around the whole earth three and a half times.

But let's don't get the idea that pencils are to be thrown around at one's pleasure. They are a great convenience and should be a part of every student's school supplies; worn to a nub working problems, writing English exercises, or taking biology notes.

—By P. B.

## No Groundhog Spring Is Near

23rd Year

## Eaglettes Battle in Three Tilts

Canyon Eaglettes played hostesses to Claude Friday night in a tilt which ended 35-27 in Claude's favor. The score was even at the end of the first quarter 11-11, but Claude gained a lead in the second quarter, scoring 14 points to the Eaglettes' 6. In the third and fourth quarters the Eaglettes and Claude made the same number of points per quarter. They each scored five points for each of the two remaining periods. Three of Canyon's sextette fouled off during the second half. Dorothy Butler Duniven, forward, went off the court during the last of the third quarter with four personals and one technical foul, while Lorraine Carter and Mary Sue Foster, guards, fouled off during the final minutes of the fourth period with four personals and one technical, and five personal fouls, respectively.

Bobby Ford made 18 points which gave her the credit of being high pointer for the night. Woodward led Claude's scoring attack with 20 points to her credit.

The Eaglettes journeyed to Dalhart Saturday night to engage in their second clash with the Dalhart team this season. They were again defeated when the game ended with score 44-26. Bobby Ford was high scorer again, leading her teammates with 13 points to her honor, while Dorothy Butler Duniven followed with 9 points to her credit. Davis was high point for Dalhart, sinking 22 points.

Monday night in the grade school gymnasium the Eaglettes played the Dalhart Wolverines a return match. Here again the Eaglettes tasted defeat in their third bout with the Wolverines. Dalhart held the lead at halftime with the score 12-9 in their favor. They kept the lead and were victorious when the game ended with them holding the heavy side of the score which was 32-17. High pointer for the Eaglettes was Bobby Ford with 7 points to her credit, followed by Dorothy Butler Duniven with 6 and Janey Forester with 4. Dye led her Dalhart teammates in scoring honors with 15 tallies.

The Eaglettes' next game will be played Thursday night at 6 o'clock in the grade school gym opposite the WTSC sextette.

## Outlaws Defeat Youth Center

The Outlaws added another decisive victory over Youth Center last Friday night with a score of 36-19. Youth Center has a tight zone defense but the Outlaws managed to break it up, using fast plays. The scoring was evenly divided between the Outlaws, Philip Busted and Glenn Prater, with eight points each, followed by Harold Martin and Billy Samples with seven each and Carl Hair with six points. Bill Stanbush led Youth Center's attack with fourteen points.

The Outlaws play Forest Hill Monday night, and the winner will take first place in the race for the city championship.

Mr. T. E. Beard came by plane from Wyoming to spend Thursday through Sunday with his wife, who teaches English I and II in Canyon High. He is an instructor in the technical air school, Ft. Francis Warren, at Cheyenne, Wyoming.

Mr. Herman Demus was absent several days due to his mother's illness. Mr. M. D. Shepherd and Glenn Truax substituted for him.

Have you seen the new Spring Shoes at Blacks? It

One of these days there will be what the optimists will term a "recession," and brother when that day arrives, look out.

The reason why some people acquire so much money is that the man who knows how to make money attends to his own business.

The vindication that many defeated politicians seek is closely associated with the pay, emoluments and prerequisites of public office.

There are many other people who would rather hear an intelligent discussion from a speaker than to eat the meal that usually precedes the remarks.

Everybody in the audience who has read the President's Budget Message should stand up at once and be identified.

Education on the higher level is showing the weaknesses of the present age of high finance.

## Grade Notes

Mrs. Rasor visited Thursday and ate lunch with her son, James. Mrs. Coombes visited one day last week.

Mrs. Roscoe Davis' second grade surprised her with a birthday party Monday. Mrs. R. C. Henry, Mrs. F. M. Hacker, Mrs. B. E. McCormick, and Mrs. E. M. Myers, the room-mothers served punch, cookies and mints. Special guests were Miss Fronabarger, Mrs. Welch, Elio Myers, and Robert Ray Henry. They presented her with a book titled "The Big Fisherman," by Loyd C. Douglas.

George Avent withdrew last Friday to move to a ranch near Dumas. Charles Cooper recently made a trip to Dalhart and went through a diesel engine that generates its own electricity. Charles made a report on his observations, Monday, in Mrs. Brasher's fourth grade. The class saw a picture show on Railroads at Work.

Everett Davis enrolled in Mrs. Walsh's 5th grade last week. He came from Hayward, California. Edda Baca entered school, Thursday, from Canadian.

Mrs. Cousins' fourth grade has seen four picture shows recently. "Alaska," "Mary Takes a Train Trip" and "Railroads" were the names of them. In language they have been studying the writing of business letters. The children wrote letters to places for free material, they are receiving beautiful material in response to their letters. They plan to cut out the colored pictures and build a library of scenes to be used and shown at different times. Arthur Harding was absent Monday due to illness.

Mrs. Iverson's sixth grade elected the following officers for the second semester: president, Rita Crow; vice president, June Davis; secretary, Wayne Retherford, and reporter, Betty Glanton. Fire captains are Dwayne Retherford and Donnie Rogers. Basketball captain is David Brandon and co-captain is J. R. Devin.

Martha Harding has lost her sweetheart expansion bracelet and is offering a reward for it.

## Annual Pictures Are Order of the Week

Grade school pictures for the annual came in Monday. They were made by Paul Benton, a traveling photographer, of Lubbock. He uses a small 50 mm. camera which enables him to make glossy prints, suitable for use in an annual.

Pictures for the CHS annual were taken by Pat Britain, Tuesday. They include action shots of the following classes: chemistry, biology, shop, homemaking, agriculture, typing, and library. They also include pictures of class favorites and the following organizations: FHA, FFA, band, chorus, Eagle's Tale, staff, annual staff, the Eagle's basketball teams, the lunchroom hostesses, and the custodians. The picture for the end sheet for the annual and other groups of importance to the annual were also made.

#### THE WEEKLY BULLETIN

Future events pertaining to students and teachers of Canyon High School for this week have been announced in a bulletin. They are as follows:

For Thursday night, Perryton A and B boys vs. Canyon boys, and WTSC girls vs. Canyon girls. First game called at 6:00 p. m. (girls).

For Friday night, Canyon girls and boys A teams play at Dumas.

For Saturday, Panhandle School Administrators Associational Meeting in the Amarillo High School Building, 10 a. m.; for Saturday night, FHA Sweetheart Banquet at the High School Cafeteria; and for next Monday night, a local unit of the Texas State Teachers Association in our school cafeteria beginning at 6:30 p. m. This will be a dinner meeting, and plates will cost \$1.25 each. Dr. Wiggins, President of Texas Tech of Lubbock, will be the main speaker.

The CHS Library has received a number of new books, which will be numbered and placed on the shelves for student's use as soon as possible.

Department of Commerce says business will continue on upgrade.

#### Enrollment by classes as of

| February 1, 1949: |     |
|-------------------|-----|
| Grade 12          | 38  |
| Grade 11          | 49  |
| Grade 10          | 55  |
| Grade 9           | 67  |
| Grade 8-1         | 33  |
| Grade 8-2         | 25  |
| Grade 7-1         | 30  |
| Grade 7-2         | 35  |
| Total             | 332 |

## Ag Classes Judge Picture Contests

Topping the various activities of the Future Farmers of America organizations is the picture judging contests sponsored by the Hoardman's Dairyman and the Duroc Jersey News.

In the Hoardman's Dairyman, Holsteins are represented in fifteen classes. These classes are placed according to the picture for All-American and Reserve All-American. Each class has four cows showing a side view and a rear view. Prizes in this contest are first: \$100; second, \$50; third, \$25; fourth, \$15; fifth, \$10.

In the Duroc Picture Judging Contest sponsored by the Duroc Jersey News, hogs of eleven classes are to be judged. In these pictures a side and rear view are given. After the placing of all classes, a Grand-Champion boar and sow are picked. Attractive Banner Trophies will be awarded college, high school, and 4-H club team based on the highest total score of the top seven individuals from each group. Official placing will be made by nationally known judges. Billy Dugan, a graduate of 1947, was fourteenth in this national contest. The Canyon chapter was rated third.

Planning ahead for the FFA encampment, Mr. Devin journeyed to Hale Center last Monday and purchased from war surplus stock, twelve large tents and three stock pots. Two of the tents are 16x16x11. The other ten are 9'2"x8'10"x8'6".

## Society Sue

Since the weather is better every one seems happier and even the fashion news is brighter.

Donna Erwin wears a dark blue blouse with a Chinese collar that looks crisp.

A neat gray dress trimmed in purple was sported by Carol Hamblen Monday.

Betty Jean Graham glittered in a gold corduroy dress with a cocoa brown tie.

Corduroy was a popular material today. Faye Gunter's green corduroy suit with a fly back jacket and Melva Martin's red corduroy jumper brightened the halls.

"Inky" Zachry takes pride in her new boots for good reason. Brown, red, yellow, green, gray, and black combine in a colorful effect.

Take a good look at Suzanne Stephenson's shoe strings, and don't worry if they appear upside down, because that is exactly the way she wore them last week.

The boys also donned bright colors this week.

Weldon Hacker wore a red shirt with horses and bridles producing an unusual effect.

Jerre Inman shone forth in a red and tan plaid shirt that was easy on the eyes.

Bryce Slack's maroon shirt with the diagonal zipper proved a great favorite.

The teachers also looked unusually bright in this latter part of winter.

Mrs. Kuehn's blue dress with gold buttons made a cheerful picture in the library.

Mrs. Simms and Mrs. Beard sported maroon dresses which are very becoming.

That's all of this week's news, so "Adieu" until another week brings more new fashions.

Big time college football is on its way out. In 10 or 15 years it will be in about the same position as college basketball is now.—Rep. Robert A. Parsons, S. J., athletic director, Georgetown University, Washington, D. C.

The perplexing problems of the world will be solved by the consciences of intelligent persons, not by rules of law or demands of pressure groups.

This is the time of the year when everybody should remember that it takes money to wage war on infantile paralysis and do something about it.

# Coach Wheelock's Eagles Down Dalhart 37-36; 52-38

## Junior Team Wins Three Games

Canyon's Junior team took three games and the 7th and 8th grade team won one the past week and half. The Junior team slaughtered W. T. Juniors 56-23. Ratliff won scoring honors by hooping 20 points with Busted and Plant making 16 and 10 respectively for Canyon.

The seventh and eighth grades from Canyon edged out Hereford's seventh and eighth grades 22-19. Tommy Middleton racked 8 points and Bourn made 5 for Canyon. Fisk and Wilson sank 5 apiece for Hereford.

Immediately following the seventh and eighth graders game the Junior team trampled the Hereford Junior team 41-18. Busted made 12 and Ratliff hooked 10 for Canyon. Morton made 6 for Hereford.

Thursday afternoon the Junior team blasted the Tulia team 53-24. Ratliff rang 20 and Busted sank 16 for Canyon. Tucker made 7 for Tulia.

The Junior team has won 9 and lost 2 this season. They have made 333 points to 169 for the opponents. They have averaged 33 points per game to 15 points per game for the opposition.

High scorers for the Junior team Bob Ratliff and Bob Busted. Ratliff has made 112 points in 10 games for an average of 11 1-5 points per game. Busted has made 94 points in 11 games for an average of 8 6-11 points per game.

"The Junior High team has started playing a different brand of basketball as can well be told from the scoring. They are now using the fast break with plenty of speed and dazzling ball handling. Bob Busted and Bob Ratliff seem to be in the limelight as far as points being scored, but let us not forget Roy McCarty, Billy Morton, Harrell Slack, Dwayne Currie, Sid Plant, and others with their smooth ball handling and defensive work," states Mr. Jerry Jacobs, their coach.

## Carpenters Remodel Doors to Building

Due to the fact that the doors of the Canyon High School building are cracked and all run down, they are being repaired for the first time since the building was built.

During a blizzard, the snow comes through the cracks, and also much dust is blown into the building.

Mr. A. L. Chambers, head carpenter, has repaired the four front doors of the building. Mr. W. E. Reed is taking care of the eight outside doors on the West side of the building. They are repairing the doors with masonite or pressed wood which is supposed to stand all the bad treatment that the students usually give them. This masonite covers the lower parts of the doors leaving fewer glass panes at the tops which may be broken. The doors will soon be painted to correspond with other woodwork.

"I'm glad to be able to have these badly needed repairs," says Superintendent E. A. Wooten. "They not only add to the beauty of the buildings, but bring us necessary comfort."

ONE YEAR AGO

CHS Senior Class elected as their favorites, Rita Gunter and Wayne "Rusty" Davis.

Mable Graham and Richard Walters were Junior class favorites.

Claude Money and Jimmy Wooten are getting to be regular wolves.

Katie Furlow and Mickey King were having a good time at the show.

Seniors decided to present the play "Accidents Will Happen."

Members of the FHA attended a formal Valentine Banquet in the Blue Room of the College Cafeteria.

Eight FFA boys from Canyon High showed pigs and calves at the annual Fat Stock Show.

Mrs. Ed Harrell was at Canyon High, Monday, receiving assignments for her grandson, Ed Harrell, who was ill.

## Grammar Claims Student Interest

English students of the high school are hard at work on grammar this semester. A divided series of workbooks is to be used. For freshmen classes, the "Key Series to Good English," published by the Economy Company of Oklahoma City is selected. In sophomore English and in English IV "A Practice Book of Grammar and Composition," published by Banks Upshaw Company of Dallas, Texas, will serve for their drill work. Juniors find themselves busy in "English in Action" published by D. C. Heath.

Vocabulary building in all the grades of high school is to be especially emphasized.

In Junior High school the "Key Series to Good English" is being used this year, exclusively.

"We are beginning an important unit of work at this time. A sound knowledge of grammar is absolutely a must for any student who wishes to do creditable work in English," emphasizes Mrs. Cecil Simms, head of the department.

## Wallace Number Is Feat of Memory

Memorizing the Sears & Roebuck catalog is the outstanding feat of William Wallace, memory wizard, who presented a program to the CHS student body, Tuesday, February 1. To prove his ability, catalogs were distributed among the students and page numbers were called out to Mr. Wallace, who in turn, would name the articles that were pictured on that page.

Two rows of ten numbers were compiled by the student body. Mr. Wallace, then, without seeing the list of numbers, named them as they had been given, and written on a blackboard. He also, subtracted them, gave the answers, then after he had added them together, gave the sum.

Harry Campfield, Lowell Hill, and Donald McDonald assisted Mr. Wallace by placing names of one-half of a deck of cards opposite numbers, after which the memory wizard proceeded to name the corresponding card and number both forward and backward.

Mr. William Wallace, the Memory Wizard, presented in the high school, has developed his memory to the point that it is outstanding. I hope our students received some inspiration from his memory technique, and that it will be applied in their class work," declares Mr. J. E. Miller, principal.

Three CHS teachers, Mrs. Nora E. Gilmore, Mrs. Cecil Simms, and Mrs. R. E. Ball, are taking courses at the college during the spring semester. Mrs. Gilmore and Mrs. Simms are taking a novel course for graduate students and Mrs. Ball is taking a course in government.

## High Scorers Are Abbott, T. Burrus

Canyon Eagles dropped the Dalhart Wolves on Saturday night and again on Monday night. Saturday's game was a narrow 37-36 victory but the Eagles broke loose Monday night to walk away with a 52-38 win. Saturday's game was played at Dalhart and they returned the match Monday night to Canyon.

In Saturday's game the Eagles took a three point lead in the first quarter but were trailing 20-19 at half time. The third period was tied 29-29 and in the final quarter the Eagles nosed the Wolves out by a one point margin to wrap up the game. Joe Abbott was high point man for the Eagles with 16 tallies.

Monday's game was not nearly so close. The Eagle quintet took a 4 point lead in the opening quarter and remained there the remainder of the game. Half time score was 24-17.

In the third quarter the Eagles added 12 points and Dalhart increased theirs by 10. The final period saw Troy Burrus split the net for the victors to ring up 10 points while Hubbs never slackened his scoring for the losers. Joe Abbott again led his teammates with 15 points. Troy Burrus was next with 10; Richard Walters, 9; Jerre Inman, 8; Billy Cleavinger, 5; and Bruce Winn followed with 4 points.

Hubbs led the game with a total of 23 points; 12 on field goals and 11 on free tosses.

Accuracy Wins Game

Sinking 55.3% of their field goals and 50% of their free tosses, the Canyon Eagles 'B' squad dropped the weaker Claude 'B' quintet 64-12 in the Canyon Grade School gym Friday night before a reasonably large crowd of spectators.

Garland Butler split the net in the first minute of the game to leave Claude trailing by a score from which they were never able to survive.

Jimmy Lindsey led the victors with 14 points to his credit. Ray Burrus and Garland Butler were tied for second place honors with 10 points each. Troy Burrus rang the basket for 8 points and Albert Craig and Mickey King each had 6 tallies. Norris Root was close behind with 4 points.

Score by quarters is as follows: Canyon 17, Claude 5. Half time score, Canyon 31, Claude 7.

Canyon 47, Claude 10. Final score, Canyon 64, Claude 12.

B Squad Leads

Canyon High's undefeated 'B' squad kept up their winning streak Saturday night by defeating the Dalhart 'B' to the tune of 36-14 in the Dalhart gym.

Dalhart led the Eagle quintet 7-5 at the close of the first quarter, but were trailing 21-12 at half time. Canyon's 'B' added 6 points to their score during the third period while Dalhart was scoreless. 9 tallies were added to the Eagle's score, while only 2 were sunk by the Wolves in the final quarter.

High point man on the victors squad was Jimmy Lindsey who split the net for 18 tallies. Troy Burrus rang up 10 points. Albert Craig and Jimmy Wooten had 6 and 2 points, respectively.

Mr. and Mrs. Dennis Brandt spent Sunday evening in the home of Mr. and Mrs. Jack Vorwald.

Mr. and Mrs. Kelley Beckman spent Sunday in the home of Mr. and Mrs. Charles Beckman.

Mr. and Mrs. Ben Koch spent Sunday in the home of Mr. and Mrs. Henry Bracht.

Exchanging visitors were: Helen Westhoff with Marcella Przlaz, Lewie Raef with Bobby Skarke, Johnnie Beckman with William Artho, Barbara Raef with Betty Hoffman.

### BAPTIST CHURCH

"Bible Sunday" will be observed at the First Baptist Church in Canyon, Sunday, Feb. 13, with a special message at 11:00 on "The Bread of Life" by Pastor Roy L. Johnson. At the close of the evening preaching hour a motion picture entitled "Thy Word Giveth Light" will be shown by courtesy of The American Bible Society which is the world's largest interdenominational agency for distributing Bibles in the languages of the people. Today it is distributed in portions in nearly eleven hundred languages and dialects.

The pastor is delivering a special series of messages at the Baptist church on "Marriage and Home." A good congregation heard the first of the series last Sunday night. Second message will be Sunday night, Feb. 13, on "Marriage and the Will of God." The service will begin at 8:00 o'clock, following Training Union which begins at 6:45. Last Sunday 198 people attended Training Union to which visitors are always welcome.

### FAITHFUL OLD CHAP

Deke: Did rich old Smith remember you in his will?

Rod: Yes! One clause instructed the executor to give me his kindest regards.

W. Stuart Symington, Secretary of the Air Force: "Airpower, instantly capable of sustained defense and sustained retaliatory attack, is a basic need for the nation."

Owen J. Roberts, former Justice, U. S. Supreme Court: "Lasting peace can come only as a by-product of an ordered society."

### President Taking Advantage of Trend Toward Socialism

The following is quoted from the Monroe County News, Albia, Iowa: "Many of our editorial writers and commentators have been knocking themselves out over our nation's probable entry into the field of socialism."

"Perhaps, somewhere, Eugene V. Debs is smiling. And perhaps he is saying, in his gentle way, that we're not just getting in—that we're in. 'We've simply taken the back door.'"

"When we say in Monroe County that we can't support our own schools in the manner in which we want to become accustomed, and that we cannot build all-weather farm-to-market roads without state aid, we're tossing the old free enterprise and what-I-earn-is-mine systems over in the trash heap with the horse and buggy."

"After all there's only so much wealth in Iowa. And what we're saying, here in Monroe County and in many other counties, is that we don't have our fair share. So we ask the government—the state government, that is, to make a re-distribution of it—to take some away from the rich for the poor. . . ."

"President Truman isn't introducing socialism. He's merely expressing the wishes of the people to have an existing system expanded. Now, not all of us want expansion of the same items—but all are favorable to one or more of them. And the more we expand, the more inevitable planned economy becomes."

This is a penetrating diagnosis. It is put forward with candor, since the News adds that it isn't worrying about it or kicking about it. If Monroe County is not as rich as some others in Iowa, is it not "fair" that it should take enough from the others so that it will have its proper share?

It is not a new idea, this short-cut to riches by taking from the more prosperous. If an individual tries it, we call it robbery, and put the perpetrator in jail. If enough people

want to try it, we call it socialism.

We are not yet prepared to admit that robbing Peter to pay Paul is to become the American philosophy. But if it does, we agree that the dictated economy is inevitable. Then the government would supervise the distribution of the loot, the fixing of each man's share.

And once we arrive in the house of the omnipotent state it will make little difference by which door we went in.

### Dr. Wiggins Is Guest Speaker Teachers Assn.

The Randall County Unit of the State Teachers Association will meet on February 14 at 6:30 p. m. in the High School Cafeteria.

The group will have dinner, following which, Dr. D. M. Wiggins, president of Texas Tech at Lubbock, will be guest speaker.

All members are urged to be present at this meeting.

### HE COULD

Bill: That salesman could sell anything.

Will: Even "Keep Off the Grass" signs at a hay-fever hospital.

### Medical Prices Will Increase

Shortages always raise prices. The Texas Medical Association, by restricting enrollment in Texas medical schools to barely enough to replace deaths and retirement has cut down our supply of doctors, especially in our rural areas, thereby causing a shortage and higher fees for services, while 3,000 pre-med students find the gates barred against them.

This same medical association now plans to get control of the supply of all competitive healing professions, so they can cut off replacements in these healing professions and make the shortage even more acute and thus raise the prices higher than today.

The Basic Science Bill (S. B. 63) is designed to give the Medical Association complete control of all branches of the healing arts and it is being pushed by unlimited funds and a high-priced lobby. If we, the people, do not write, phone or visit our senators and representatives, we will have this infamous legislation forced upon us.

This is a call for action. If you want to know the names of your legislators, phone this newspaper. Address letters to them at CAPITOL STATION, Austin. Stop that Basic Science bill. Write, wire or phone today.

## Price Control Is Not a Burning Question of Day

The debate over price control, which dominated the news not so long ago, has slackened. The most apparent reason for this is that, in most lines, prices have leveled off, and in some lines there has been a distinct downward swing. That is reflected in the various cost-of-living indices.

This does not mean that the issue has gone permanently out of the limelight. Strong inflationary factors—notably the enormous spending of the Federal government—are still with us. It is possible that the upward trend in prices will again be resumed. Should that happen, political pressure for price controls of some kind will be turned on full blast. The public should keep in mind the issue involved, and what a dedicated economy could mean.

The basic fallacy of price control is that people cannot be forced to produce goods and sell them at a price which allows no profit, or may entail a loss. Take meat for an example—it was the center of the price controversy some months ago. If farmers and ranchers saw that the government was determined to fix the price at an unprofitable level, they would gradually stop producing it. The result would be scarcity and then an actual shortage. More and more of the available supply would go into channels which scoffed at the law.

Price control, by its very nature, would necessitate complete control of the entire economic system if it were to even partially succeed. It would be unworkable, for example, without ironhand wage control. Thus, in time, it would create a regimented economy—which is the basic step toward the totalitarian state.

Have you seen the new Dresses for children at Blacks. Size 2 to 12. It

Most significant political development since President Truman's election is his proposal that the Government take preliminary steps toward entering the steel industry. It is a first move in a direction which could lead to the nationalization of steel. That goal has been in some minds ever since the New Deal's early days when charges first were heard that steel men favored an economy of scarcity. Washington observers think Truman's move had its origins in military-logistic and price stabilization theories rather than socialistic plotting but may give aid and comfort to covert socialists. Factor most likely to counteract it in public opinion: steel industry's forthcoming public reports on its progress and efficiency.

In his room at the state institution sat a man whose only article of clothing was a hat. "Look, friend," an attendant said, "that's no way to be sitting around. Why don't you put some clothes on?" "Why should I?" replied the inmate. "Nobody comes to see me." "But why wear a hat?" "Oh," shrugged the other, "somebody might come."

Lister Hill, U. S. Senator from Alabama: "Forty million Americans lack the basic protection of full-time health departments."

C. E. Wilson, industrialist: "I see no reason for any great depression in this country unless we, ourselves, create conditions that will lead to such a depression."

Denizens of the deep, flown to Chicago for use at opening of a new restaurant in the Hotel Sherman, are welcomed at the city airport. Examining the airborne sea food are Pat Hoy, assistant to the president of the Sherman, a "mermaid" from the restaurant and airline stewardess Betty Shiner.

## Frazier Hunt Praises Haley

"Texas is reeking with history that needs attention. Incidentally one of the finest American historians lives in Canyon. J. Evetts Haley's books on 'Charles Goodnight' and 'Jeff Milton' are the best pieces of Americana available today."

Thus commented Frazier Hunt, noted journalist and world traveler, on his recent visit to Amarillo, who was much impressed with the possibilities in historical writing in Texas and the Southwest. He was high in his praise of the works of J. Evetts Haley, the dean of historians and writers in Southwestern History.

Frazier Hunt stated that "This Southwest region is fabulous in its materials."

J. Evetts Haley is a product of West Texas. He is a graduate of the West Texas State College and also of the University of Texas. He has devoted the greater part of his time and effort for the past twenty-five years to research and writing in Texas and Southwestern history. He has interviewed more of the early pioneers in the Southwest than any other person. He has produced six books dealing with the history of this region and also numerous articles in state and national publications.

His latest book, "Jeff Milton,"

was the only book on Southwestern History on display at the recent meeting of the American Historical Association in Washington, D. C. For years he has worked with the Panhandle-Plains Historical Society and the Texas State Historical Association in gathering and preserving historical materials in the Southwest. He is an enthusiastic supporter of the Vandale Historical Essay Contest and has contributed liberally to the promotion of every organization that encourages the research and writing of well-founded, authentic history of the region.

The Canyon News is glad to publish short letters from its readers, giving expression to their views on matters of public interest. After all, other people know something besides the newspaper writers.

Some of our liberals ought to go into South America, for example, and work for a bill of rights in the Latin-American republics. If they succeed, there are other areas open for work.

James M. Cox, newspaper publisher: "If public opinion has an untruth fed to it, it will be just as harmful as though we had deadly poison in our drinking water."

What has become of the old-fashioned man who believed that the women sit demurely and wait for the right man to come along?

## Literary Figures Recognize Coffin As Outstanding American Poet

Robert P. Tristram Coffin, the  
poet, will be at West Texas State  
February 15 through the 18.

He will lecture to both small and  
large groups as occasion demands.  
Most of his appearances will be  
informal, and he will try to mix  
among the students and faculty.

Mr. Coffin is not only an out-  
standing contemporary poet but also  
is a writer of fiction, biographies,  
and articles too numerous to classify  
here.

Following are some excerpts from  
the press in reference to Mr. Coffin's  
place in current literature:

"Robert P. Tristram Coffin has  
won a place for himself among the  
best American poets of his time. . . .  
In all his books he is apt to ambush  
you with sudden leaping phrases  
like a burning arrow. . . . He is the  
most pictorial of our poets."—William  
Rose Benet, Saturday Review  
of Literature.

"There are many poems here ex-  
quisite in expression and beautiful  
in thought. . . . It is a revelation of  
simple and familiar sights and  
sounds in nature."—William Lyon  
Phelps.

"The present reviewer does not  
know of any poetry written in our  
time that shines more vividly in  
recollection than do a score of poems  
in this book."—Odell Shepard, Yale  
Review.

## Champ's Crown Hawkins Regains

Willis Hawkins, fiery middle-  
weight boxer, climbed back into that  
division's championship throne Sat-  
urday night as he punched his way  
to a decision over teammate Roy  
Henry in the finals of the Amarillo  
Golden Gloves.

Hawkins has held the champion-  
ship in 1946 and 1947, losing to Alex  
Perez in 1948.

He did not win without a terrific  
fight put up by Henry but the ag-  
gressiveness of the champion was  
just too much in the long run for  
the freshman from Shamrock.

Hawkins will leave this week-end  
for Fort Worth where he will partici-  
pate in the State Meet which  
offers as a prize a chance to fight  
in the National Gloves in Chicago.

Others beside Hawkins and Henry  
who fought in the Amarillo meet  
were Ernest Babitzke, Jack London  
and Clint Williams.

## National Heart Week Be Observed on February 14-21

Throughout the United States the  
week of February 14-21, will be ob-  
served as National Heart Week, and  
Dr. Geo. W. Cox, State Health Offi-  
cer has announced that the State  
Health Department will cooperate  
to the fullest extent in stressing to  
the public the necessity for full  
information and intelligent action  
in attempting to control this na-  
tion's major killer, heart disease.

From a national level, heart dis-  
ease is the leading cause of death,  
and yearly takes a greater total  
number of lives than the next five  
leading causes of deaths combined.  
One out of every three deaths in  
the United States is due to diseases  
of the heart and blood vessels, and  
it is estimated that one out of every  
twenty persons suffer from some  
form of heart or blood vessel dis-  
ease.

A great amount of research in the  
causes and treatment of the heart  
diseases has established the fact that  
some of them can be materially  
helped by certain drugs, or even  
surgery, and it has been proved be-  
yond doubt that the heart patient  
who places himself under competent  
medical care, has by far the best  
chance of survival. In many in-  
stances the patient can, under com-  
petent care, lead an almost normal  
life, with only certain restrictions as  
to activities and indulgences which  
might adversely affect his condition.

"Consult your doctor for a phys-  
ical check-up at least once a year,"  
Dr. Cox advises. "If heart disease  
occurs, he will have an opportunity  
to find it, and begin proper treat-  
ment in the early stages, thus as-  
suring you a better chance to finish  
a normal, comfortable life span."

"Mr. Coffin's poetry is full of tang  
and muscular exertion, of pride in  
life and joy in mankind. This latest  
book is one of the meatiest and full-  
est he has ever put his name into."  
—John Holmes, Boston Evening  
Transcript.

"Robert Coffin, with his honest,  
homespun poetry, has woven some-  
thing useful and noble into our na-  
tional fabric. May his torch of na-  
tive pine burn a long time."—Perry  
Hutchison, New York Times Book  
Review.

"Mr. Coffin is one of the poets  
who never fail us, who are always  
clear, delightful, beautiful and sane.  
This volume, like his others, is to  
read, to re-read and to keep."—  
Kansas City Star.

## Top of Texas Show and Sale at Pampa, Feb. 14-15

Plans are complete for the Fifth  
Annual Top o' Texas Junior Live-  
stock Hereford Breeders Show and  
Sale to be held here on Feb. 14th  
and 15th.

Forty-five head of cattle includ-  
ing 30 bulls and 15 females have  
been consigned to this year's sale in-  
cluding breeders from this area.  
Harry Winston of Snyder, Texas will  
place the sale order for the Breed-  
ers show while Homer Brumley of  
Hereford will be the judge of the  
Junior Livestock Show. Walter  
Britten of College Station will again  
be on hand to cry the sale for both  
the Breeders sale and the 4-H Club  
sale.

The Junior Livestock show has  
been enlarged this year to include  
the four counties of Carson, Rob-  
erts, Wheeler and Gray. More than  
100 head of livestock including both  
fat steers and fat pigs are expected  
according to Clyde Carruth who is  
general superintendent of the Jun-  
ior Show.

The Top o' Texas Livestock Judg-  
ing Contest will again be a part of  
the two day program with Quentin  
Williams in charge of the contest,  
which will be held Monday the 14th.  
The Pampa Chamber of Commerce  
will be host at a banquet in honor  
of the visiting judging teams on  
Monday at 5:30 p. m. in the City  
Hall when awards will be made.

The Hereford Breeders Associa-  
tion is holding its annual Banquet  
on Monday night the 14th at 7:30 in  
the American Legion Hall to be  
followed by a big time Western  
Dance. The Public is invited to  
attend this affair, Frank Carter,  
president of the Breeders Associa-  
tion said.

The Pampa Kiwanis Club will be  
host to all contestants at the Jun-  
ior Show at 5:30 p. m. Monday at  
Recreation Park where a barbecue  
dinner will be served to boys and  
their parents. W. C. Williams is  
chairman of the Kiwanis Club Agri-  
culture Committee. The Pampa  
Lions and Rotary Clubs will also be  
supporting the annual show by fur-  
nishing Loving Cup Trophies to the  
winners of the Grand Champion-  
ships for fat steers and fat pigs.

Have you seen the new Spring  
Blouses at Blacks?

Oscar Chapman, Under Secretary  
of the Interior, who has aspired to  
become Secretary, finds that his  
problem is complicated by the fact  
that another Colorado resident is in  
the Cabinet. Charles Brannan, Sec-  
retary of Agriculture, also is from  
Colorado. Mr. Truman, however, is  
reported to have said that there  
was no reason why he couldn't have  
two Cabinet members from a West-  
ern State, if Mr. Roosevelt had three  
from New York.

James Webb, Budget Director, who  
is to become Under Secretary of  
State, is convinced that he really  
can reorganize and put into harness  
the diplomats of the U. S. Foreign  
Service who have stood out success-  
fully against many past attempts to  
limit their power. This time both  
Mr. Truman and Dean Acheson, in-  
coming Secretary of State, are to  
back the effort at reorganization.

**NO CREDIT TO HIM**  
"Your friend tells me he never  
smokes at his work."  
"That's right. He's a diver."

## Local Reader Favors News' Statement On Socialism

The News has received the fol-  
lowing letter from a local citizen  
regarding its editorial on Socialism:

Clyde Warwick probably has a  
keener conception of conditions  
than the citizen he quoted in his  
leading editorial in the February 3  
issue of the Canyon News. Accord-  
ing to the writer's belief, Clyde has  
known for a long time that the  
great sea of Socialism was en-  
croaching and washing away the  
firm terra upon which the citizens  
of this nation have enjoyed the  
greatest privileges and participated  
in the highest standard of living  
that the world has ever known. But  
our local editor, along with others  
over the land, have been placed in  
very precarious positions and could  
not, from the nature of their busi-  
ness, always say what they thought.  
But it is refreshing after years of  
stagnation to see one editor break  
with convention and sow the truth  
at the grass roots. This has been  
long delayed and is very probably too  
late. But he and I and a large per-  
cent of the twenty-two million de-  
feated voters in the last election  
can have the egotistical (if you want  
to put it that way) satisfaction of  
saying I told you so.

Have you seen the new Dresses for  
children at Blacks. Size 2 to 12. 11

## Vernon Is Running Caravan Through Canyon on April 30

Canyon will play host to the Ver-  
non Chamber of Commerce on Sat-  
urday morning, April 30 when a  
caravan of 50 cars will visit the city  
for 20 minutes, 7:30 until 7:50. The  
caravan is boosting the Santa Rosa  
Roundup Rodeo, which will be held  
in Vernon May 2-7.

An interesting program will be put  
on by the visitors during their stay  
here.

Ernest Bevin, Britain's Foreign  
Secretary, decided to take a new  
tack toward Israel when it became  
apparent that hostility to Israel  
might cost him his job. U. S. put  
on pressure for change, too.

Forrestal warns on economic ef-  
fects of defense cost.

Your Car Will Start in  
the Coldest Weather  
...if you let us completely  
winter-service it now!

**We change your oil**

We make engine  
turnover easy with  
lubrication of the  
proper grade...in  
every part.

**We put zip in  
your battery**

We thoroughly  
check it, recharge  
or replace it if  
necessary.

**We check your  
ignition system**

Hot engine spark  
is a must for quick  
winter starting.  
You'll get it!

**We check your  
carburetor**

The correct fuel  
mixture is a must  
for economical  
winter driving.  
You'll know yours  
is right.

### BIGAMY

Hornpuff: When I marry I shall  
lead a pretty girl and a wonderful  
cook to the altar.  
Miss Platt: Heavens! That would  
be bigamy.

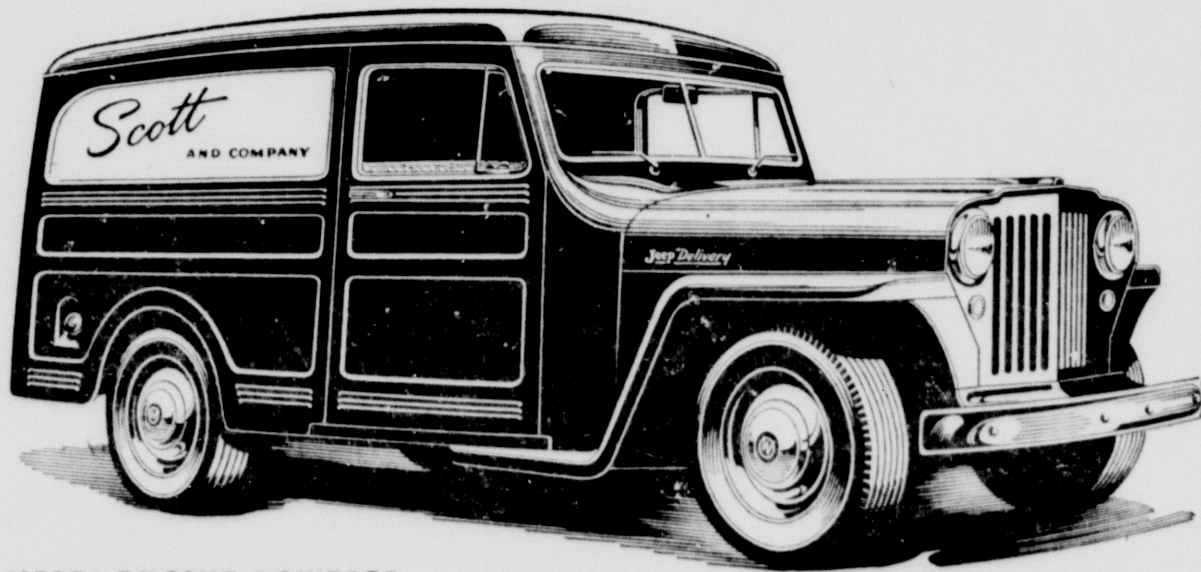

Chiang Kai-shek with \$80,000,000  
in gold and other resources upon  
which to fall back, is not to fade  
from the scene in China. Chiang  
has managed to stage comebacks in  
the past.

### WISDOM

"Heaven is not reached in a single  
bound," said the poet, nor is it avoid-  
ed by a single bound in these days  
of speeding autos.

**SOMETHING OF AN ARTIST**  
"What do you think of our lit-  
tle Emil as a pianist?"  
"Well, I like the way he does not  
bang down on the lid."

**Designed to Cut Delivery Costs**  
**THE 'Jeep'**  
**PANEL Delivery**

'JEEP' ENGINE POWERED  
104" WHEELBASE

## Willys-Overland Sets the Pace in the Panel Field

**LESS 'DEADWEIGHT'** to cost your money  
every mile. The "Jeep" Delivery has a  
gross weight of 4,000  
lbs. with rated payload  
of a half-ton. Think  
how that will cut your  
gasoline and oil bills—  
saves tires, too.

**CAN'T BEAT 4 CYLINDERS** for economy.  
The 63 h. p. "Jeep"  
Engine has the per-  
formance you need—  
but how it stretches  
gasoline mileage! And  
maintenance costs less  
with a 4-cylinder engine.

**LEVEL RIDE** is a big "Jeep" Delivery feature.  
Front wheels independently sprung to  
smooth out bumps and  
keep tires vertical. Easier  
riding for the driver . . .  
more protection for the  
cargo . . . longer wear  
from tires.

**BIG LOAD SPACE** in the sturdy all-steel  
body of the "Jeep" Delivery. Interior  
measures 117 inches  
from dash to rear doors,  
58 3/4 inches at widest  
point, 48 3/4 inches floor  
to top. Comfortable dri-  
ver's seat.

**PARKING'S NO PROBLEM** with the "Jeep"  
Delivery. Short turning  
radius and 104-in. wheel-  
base let you park easier  
in small curb space.  
Nimble and maneuver-  
able in traffic to speed  
up delivery service.

**FUNCTIONAL DESIGN** gives the "Jeep"  
Panel Delivery distinctive style as well as  
practical efficiency.  
Note how the fenders  
give easy access to  
wheels...protected  
position of headlights  
...full-opening hood.
